

Sixty - eight

Leith -
You're absolutely the
nicest and most
only know and all
two written that in
but with you I mean it.
you are so feminine and
great, I really admire you
for that. You're so lucky
love gayle (EASS)

Leith
Thanks for all the
help in English. See you
this summer.
Love you
Boe

Leith,
you were the best model in
the mothers Tea, absolutely
the darling! We had a lot of fun
with you and I'm looking forward
to working with you on the yearbook
next year.
Hope I see you this summer.
Love, Sandra

Leith, guess
who? Although
we didn't talk much
to each other it's been
nice in English. Have
fun this summer, but
take it easy.
maybe

Leith -
It has been fun
in Drill Team +
you're not going to
D. I'm glad
Bye! we need you.
nice summer! And have a
penise
'69

I'll see you
the beach or
Bar

Leith,
Good luck in your
to come. Carol Childress

perfect one of a kind
these next year - may
pass forever! - may
kid in the middle
Frank Mena

Leith
To a girl I've
known for 5 years,
there's a lot I like to tell
you but not enough time.
Randy

Leith,
The yearbook
turned out good.
Have her this
summer & good
luck in future
years.

Love,
Nancy
Herald

Leith,
To a really
cute girl. I
hope to see you
next year.
Good Luck
Luv -
Lynda
'69"

Leith
It's been nice
knowing you this
year. See you next
year.
Chuck
Parker

Dear Lynn:
your part of the yearbook
looks great. I've known
you now for 5 years and
you're still the same
sweet girl. Have a great
summer, and I hope I
see you soon. Have a
great senior year.

Dave -
Patty Wright
1969

Just-
your very
pretty girl and
my friends -
which to my way
of thinking is
of a good combination
I hope you always
stay happy and
see you next
year!! Love,
Carol

"It was the best of times,
it was the worst of times,

LEITH,
ITS BEEN FUN
IN ENGLISH
GOOD LUCK NEXT
YEAR
DAVE

I feel
 to a really
 great girl who
 I wish I could
 have seen more of that continue
 this year. I hope will continue
 our friendship. Have fun this luck
 and grow. the best of see you
 in all that you do. See you
 next year if not this summer.
 Be good. Love ya
 Mike

it was the age of wisdom,
 it was the age of foolishness . . .

Keith -
You're such a cute

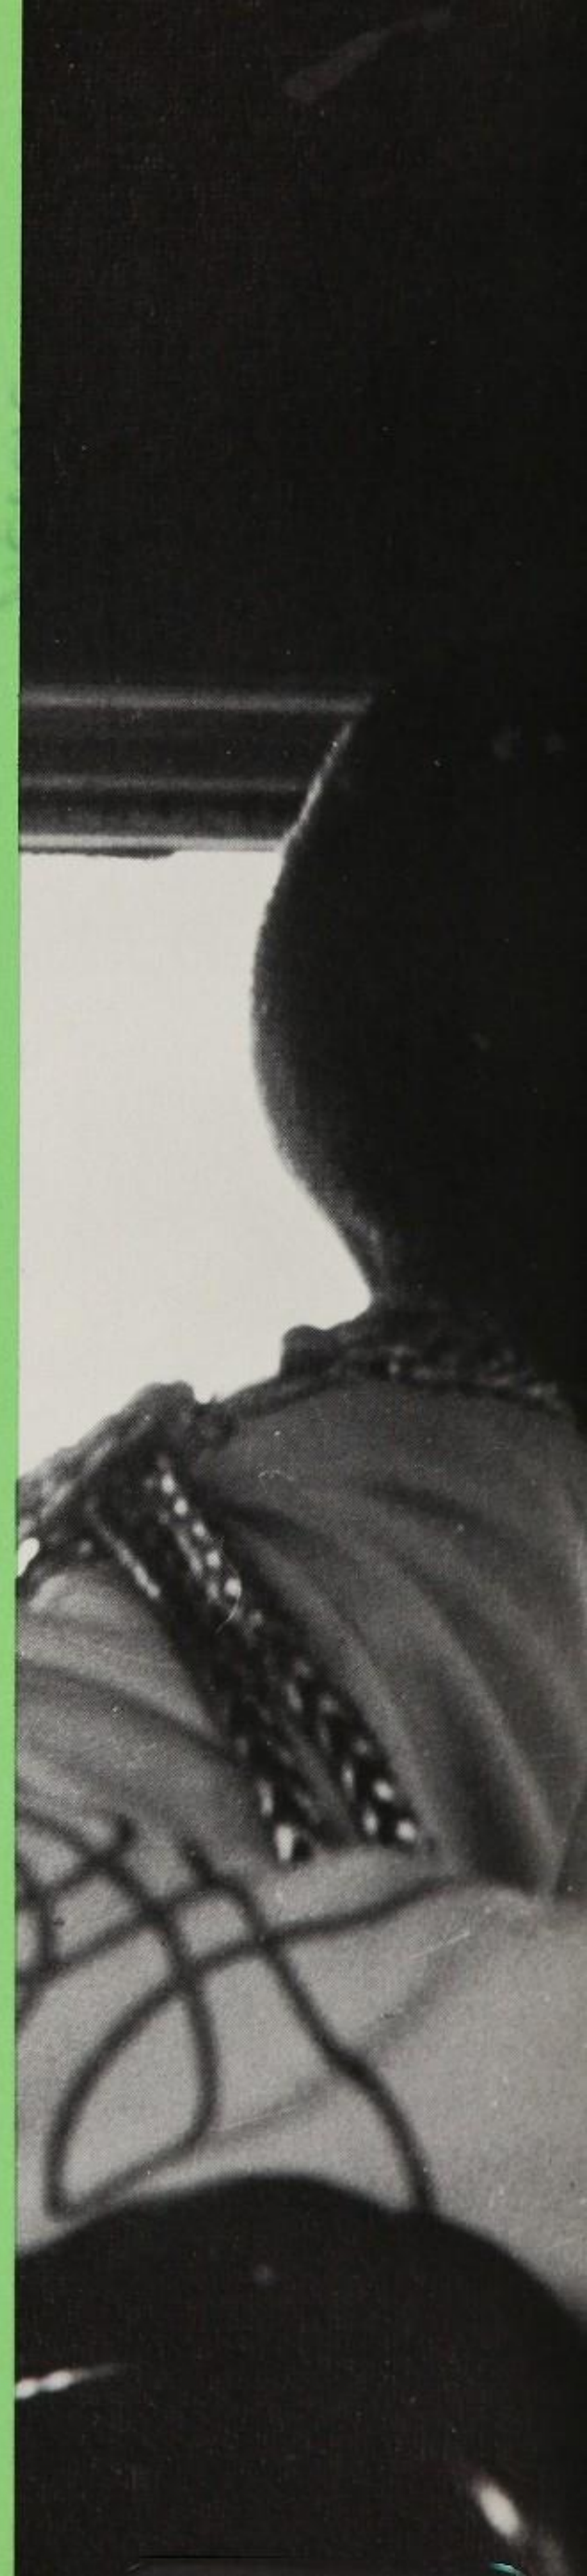

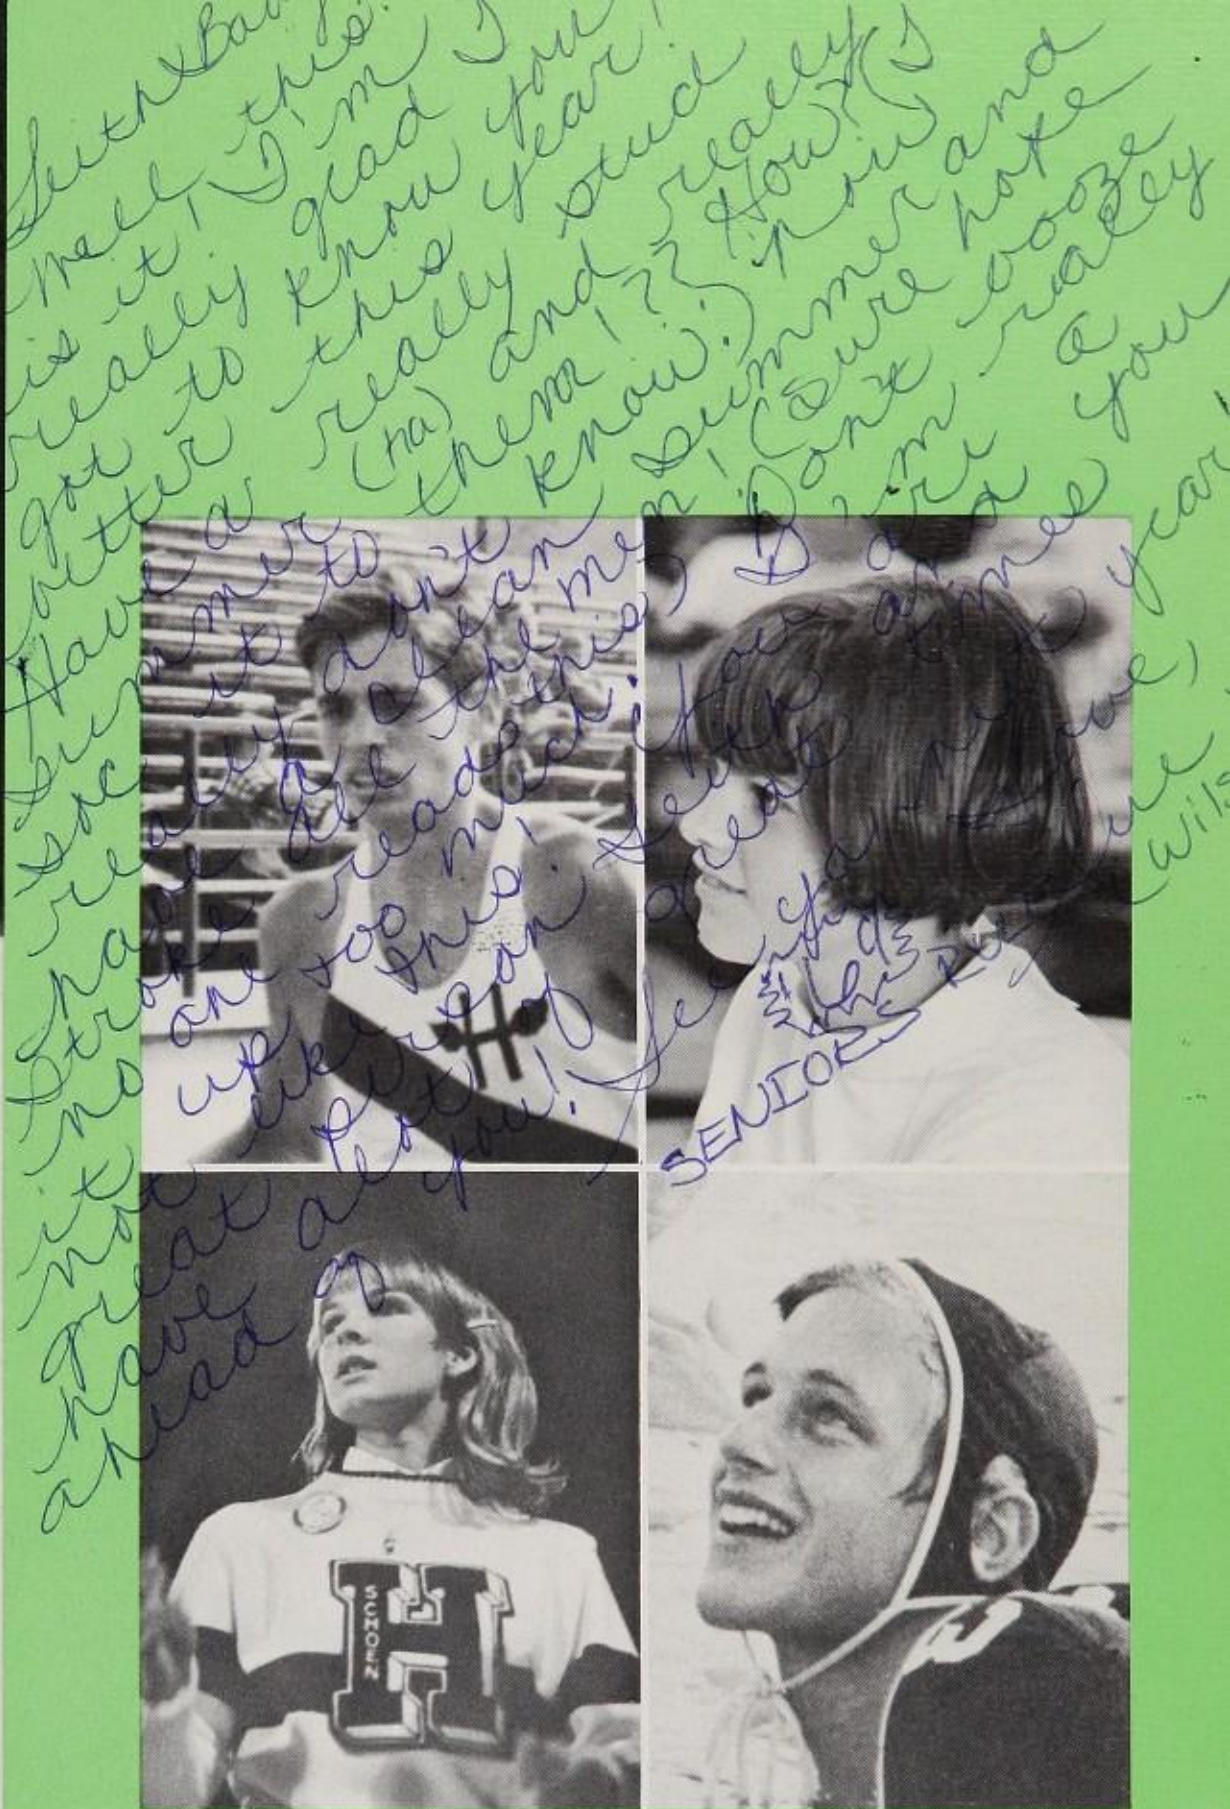

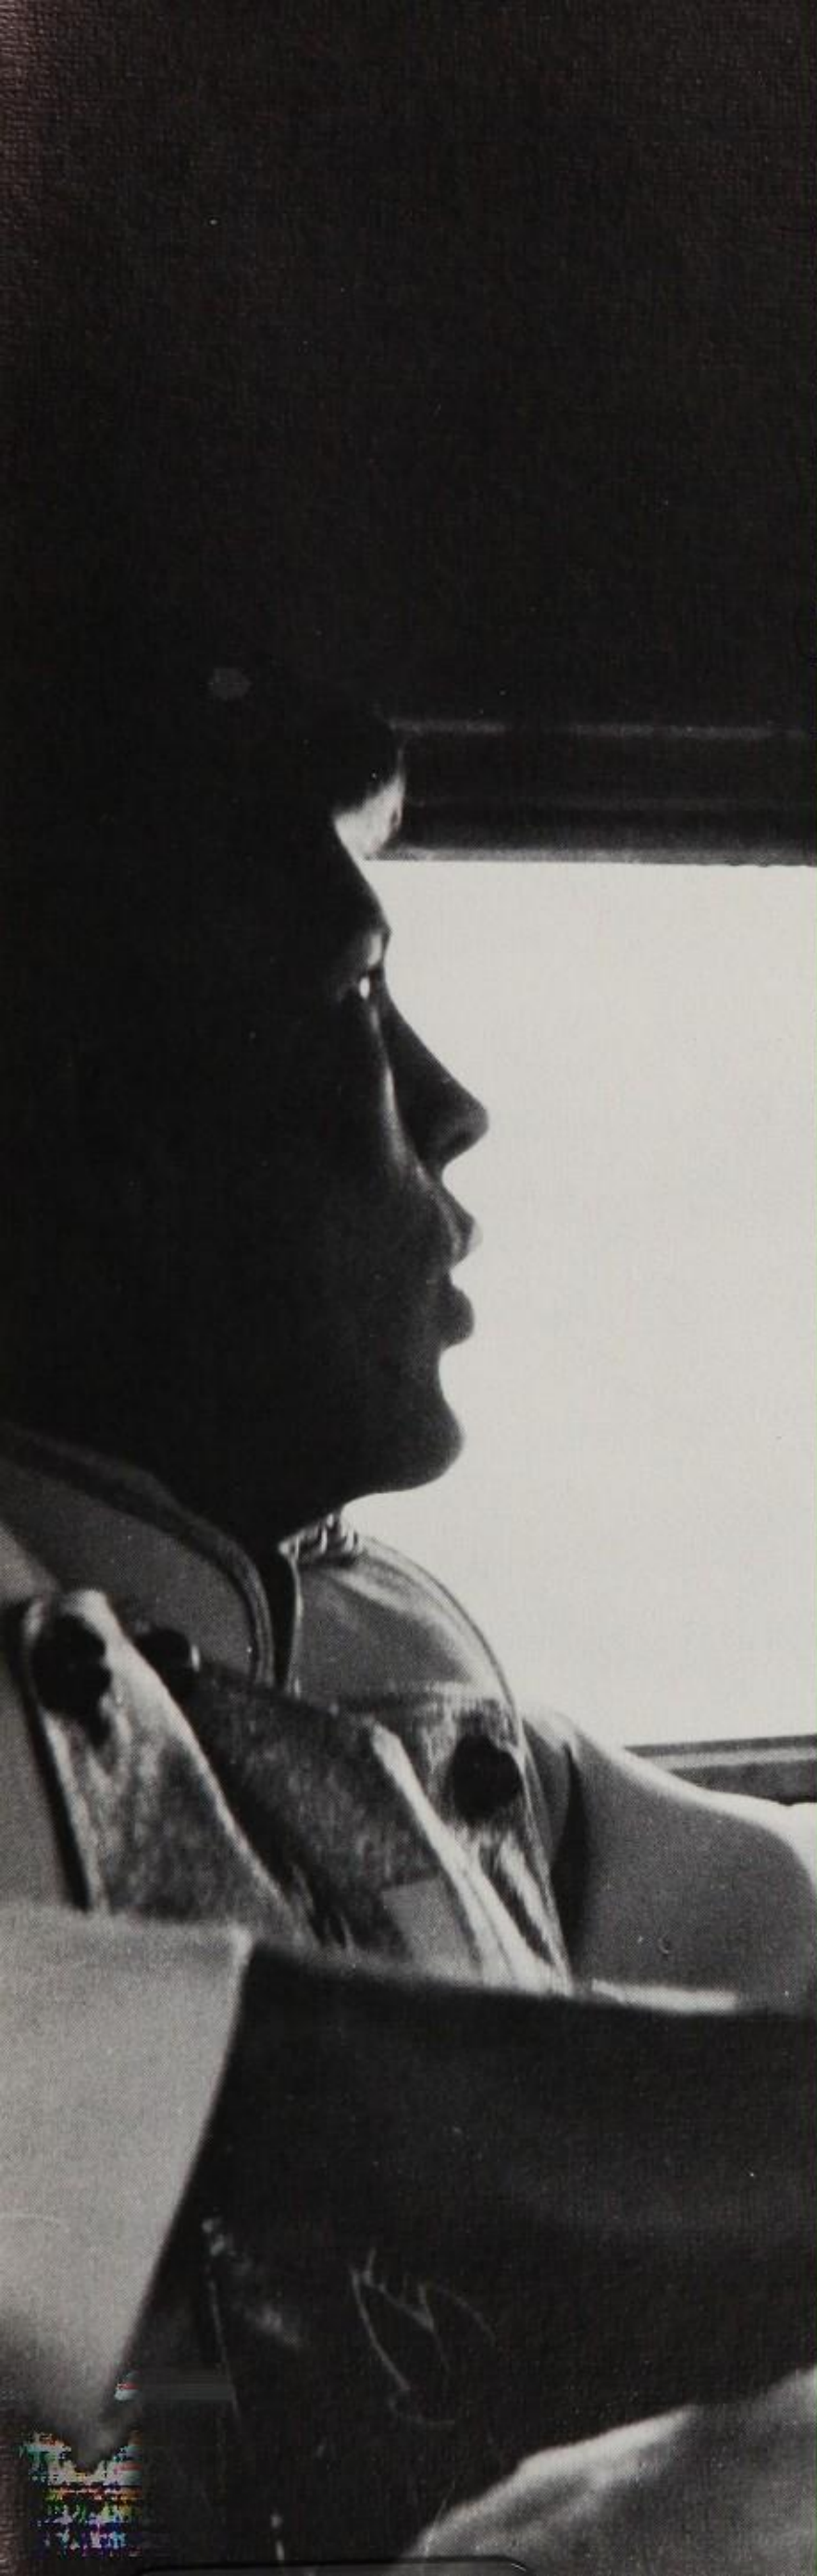

Oh, really
going to make
you're giggles
and wrenble
nose.
You're a joke
competition,
Keith, so don't
you dare come
to cheer!
Love,
Donna Hots

Leah -
 Well your year finally
 makes your class was
 McCall's year! You've made it a
 a riot! You've made it a good
 lot of fun. Have a good
 summer!
 Love Lisa

... it was the season of Light,
 it was the season of Darkness,

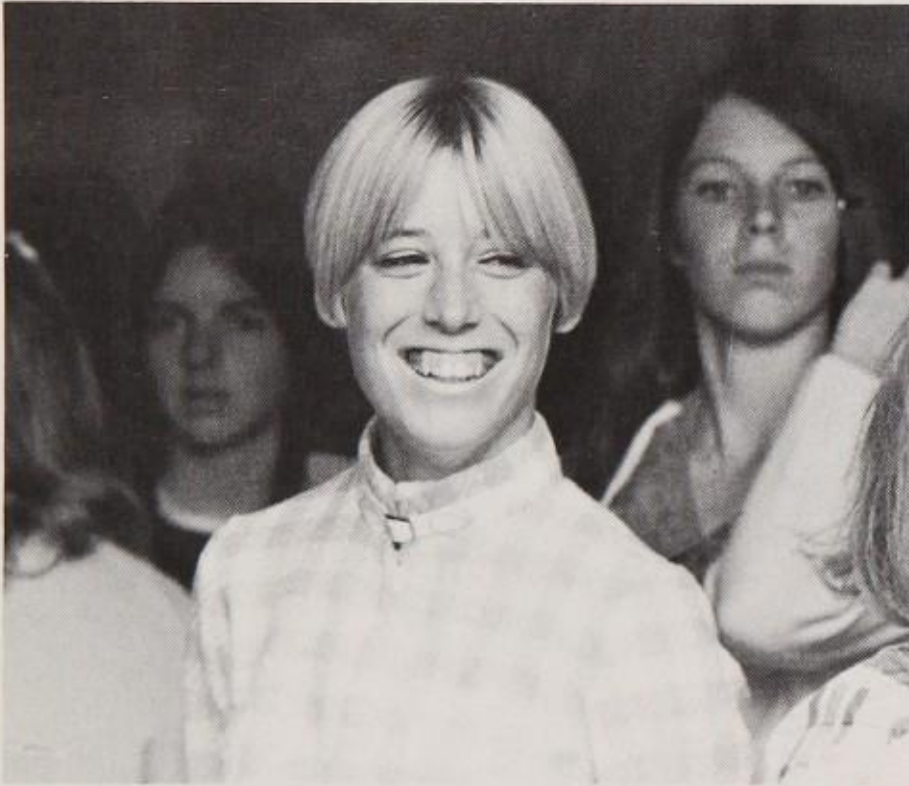

it was the spring of hope,

it was the winter of despair,

So my bestest partner in Y. Book, Leith,
I'm so glad that we worked
together. I couldn't have done it
without you! Maybe I'll see
you this summer if you aren't
too busy with Steve!! Bee good
though O.K. I'm so glad school
is over. I really couldn't wait
well good luck - J.O. X

we had everything before us,
we had nothing before us . . .”

Charles Dickens

forth

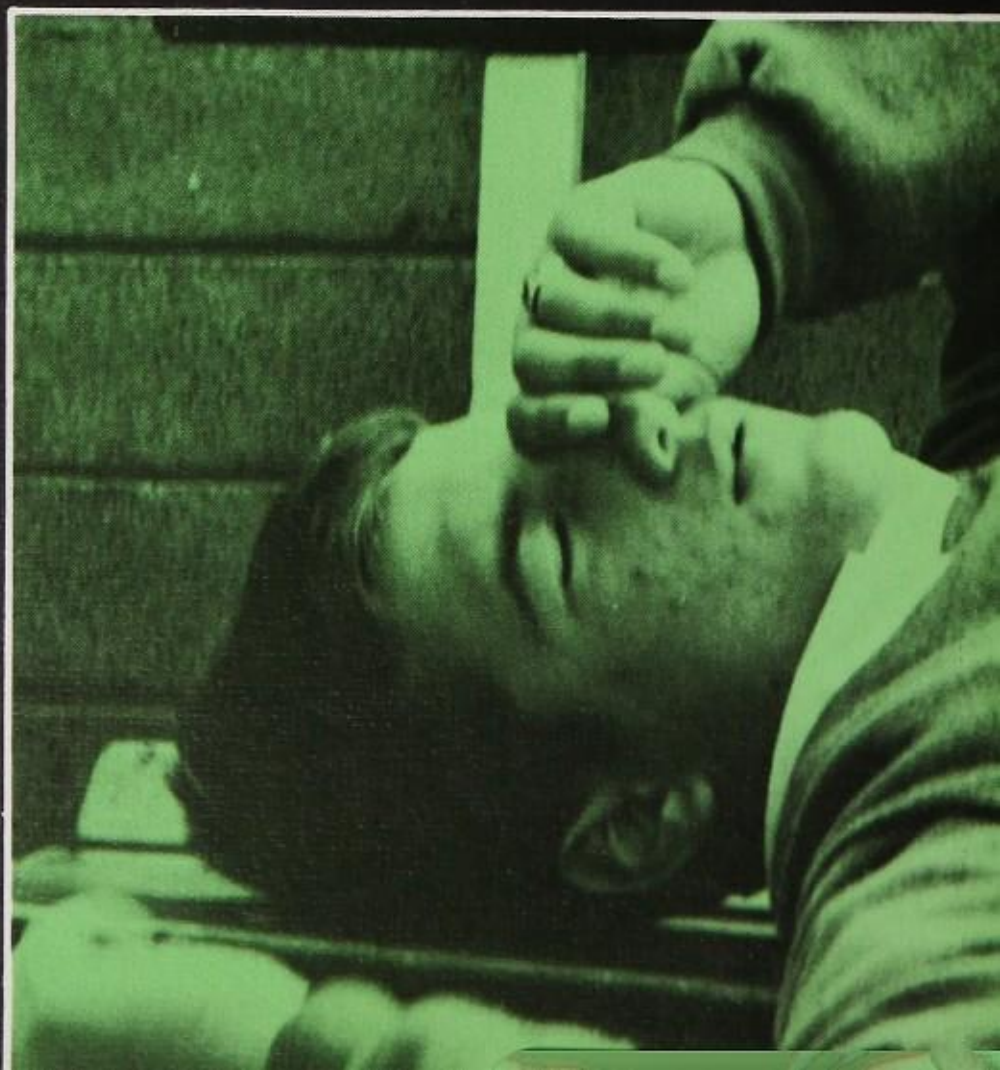

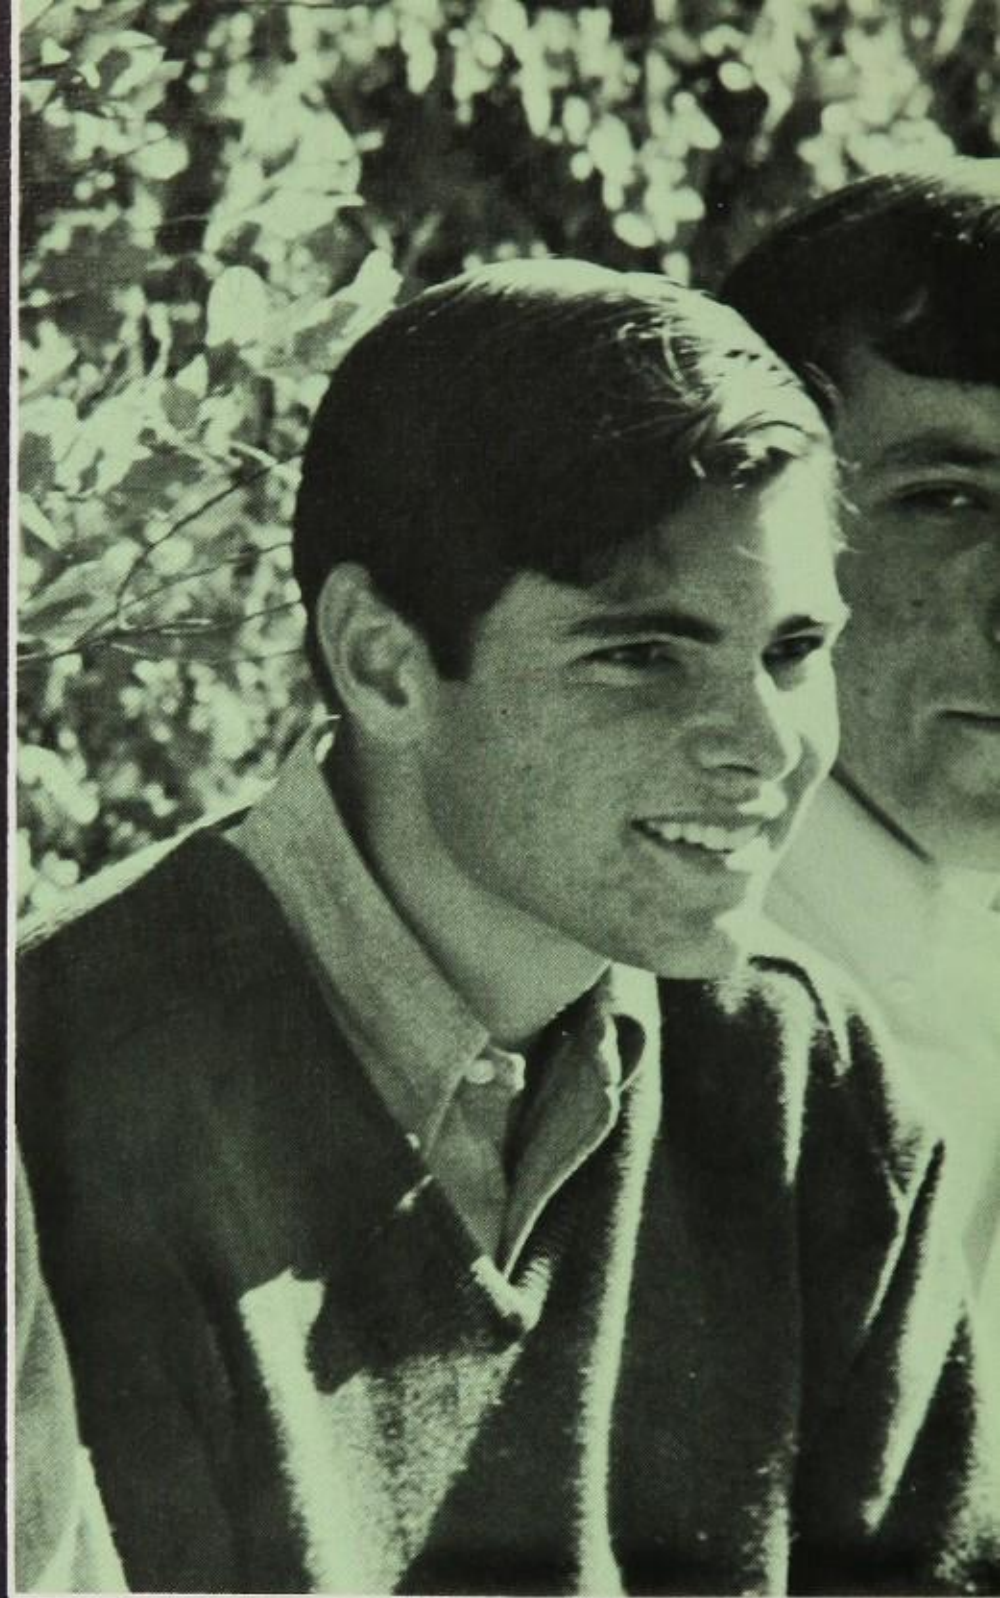

well we will be in the hard section next year and I
am anxious to see what well look like. It has
been fun as a jump for you I know because
Steve. Good luck as a senior and forever.

God Bless you always

ACTIVITIES

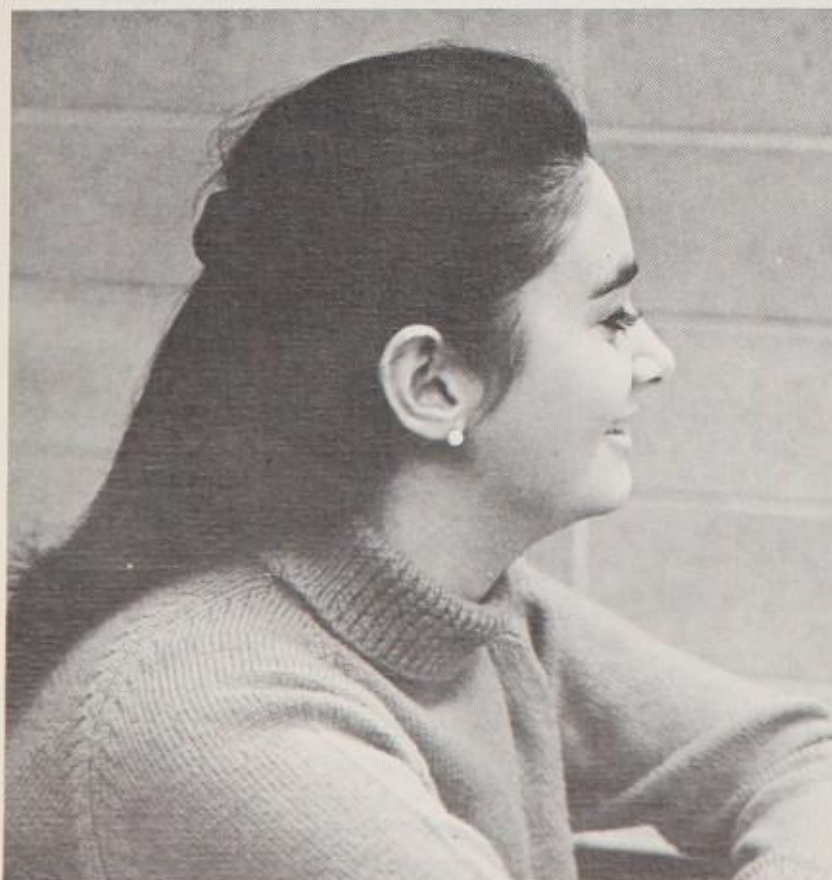

CHILE
Beatriz Bravo

To Beatriz, the most different and astonishing thing about California is the number of cars. But she finds California weather and geography very similar to her native Chile. She especially favors Heavenly Valley, which she thinks is marvelous. "Homestead is very different from my high school," states Beatriz. "We don't have boys. My high school is of 600 girls only. We have to take 12 subjects that are all obligatory, and we can't choose them. I like it here the best." Upon graduation from Homestead though, Beatriz will return to Chile and study for a law or political science degree. As for school social life, Beatriz points out there are no football or basketball games at her school, but, "We have volleyball games that are very enjoyable." —What is Beatriz's favorite American food and sport? —"Ice cream and snow skiing."

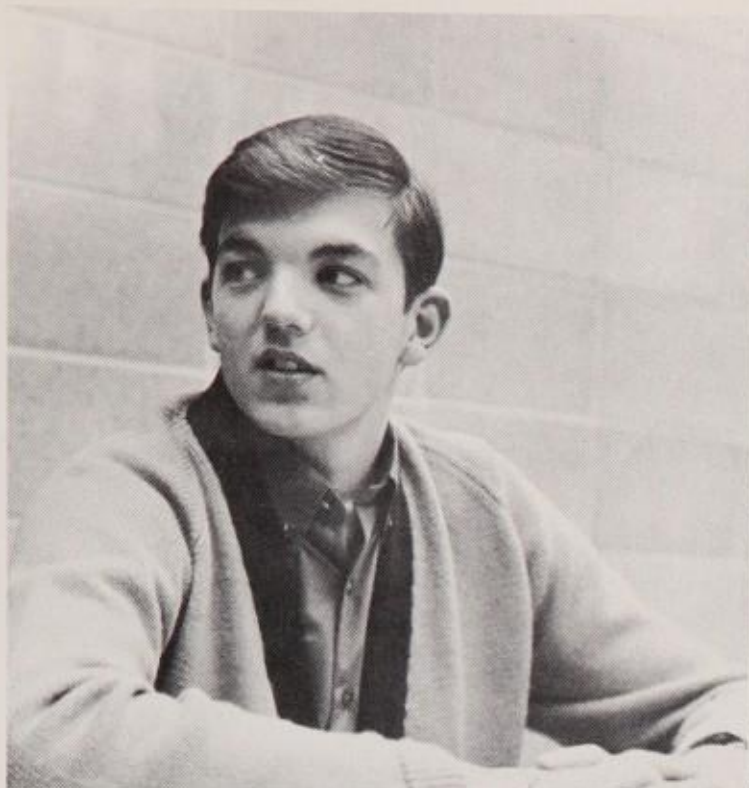

FINLAND
Elias Lahdesmaki

Elias was born and raised on a domestic farm in Finland's countryside. On coming to this part of California, he missed seeing lakes (Finland has 60,000) but said he thought it was just "marvelous" anyway. "It is really nice when you can move from ski area to summer climate in a few hours." Elias found his customs to differ also and offered an example of what he meant: "The first time I had a hamburger, I started to eat it with a fork and a knife, because we always use a fork and knife in Finland. But I think I'll keep that habit, to eat with fingers, when I go back." High school is different too. "In Finland, high school is voluntary, and before entering a hard test must be passed. Every day is a different schedule and lasts from 8:00 to 2:00. And there is no reason for goofing off! We don't have as many social activities as you do because the main idea is that school is for scholastic studies." Elias plans to attend college and then enter the army. —What's his favorite American entertainment? "American girls."

URUGUAY
Gilda DeChiara

This is Gilda's first trip to the U.S. She finds California very beautiful, and not as crowded as in the cities of Uruguay. When asked where she had learned English, Gilda replied, "In an American Institute. The classes are especially designed to teach the students to speak English." As compared to her regular high school, she states "Homestead is very different. At my high school, we have 12 subjects and all are obligatory. We go to school only in the mornings but also on Saturday. We don't have the same subjects every day, and the teachers move instead of the students." On her return, Gilda plans to attend college. —What does she like best about America? "The roller coaster. We have one in Uruguay, but I went on one for the first time here. (I was very afraid!)"

GREAT BRITAIN
Graham Start

Graham was amazed at the abundance of the phrase "CHARGE IT!" when he first arrived in America from Liverpool, England. "In England, there isn't much of that at all." According to Graham, the stores in England are also a bit more personalized and not so mechanical. But he does find the American people always willing to help out. One thing he likes about the U.S. is that the trips are longer—mainly because of the land space. "In England the trips are so small you can drive from one end to the other in less than a day." American schools are also very different. "There are very few co-ed schools, and we receive no grades. We have eight subjects and are given a percent instead of letter grade, A, B, C. The schedule for each day is different, but each week is the same. We also stay with the same class all the way through."

CHILE
Carlos Giacaman

Carlos likes California very much because it is similar to his country in customs and geography. There is a big difference about cities, though. Carlos states, "The cities have big buildings, and there aren't many gardens, only in the surroundings." He also finds people in the U.S. to be very nice, friendly, and of a very good sense of humor. When asked what American things he likes, he replied, "I like all American food. My favorite game is basketball." Being an outstanding student, Carlos came to the U.S. on a scholarship. He is very careful in defining terms, and upon completing a general questionnaire of likes, dislikes, similarities, and differences between his country and America, he offered an idea worth remembering: "When you say, for instance: 'Your favorite American entertainment,' do you mean the U.S. or South America? Because South America is America too. Isn't it? I think you should say: North America. This is only a suggestion!" —What does Carlos plan to do after graduation? "Go to the Air Force Academy."

BRAZIL
Dagmar Mentzing

When asked what she would like to do for a future career, Dagmar stated emphatically, "A foreign diplomat." Through traveling and meeting new people, she is gathering valuable background information so essential for this field. This is the first trip to the U.S. for Dagmar, but she is no stranger to travel. She has already been to Europe several times and finds people basically friendly. As compared with her home life in Sao Paulo, Dagmar notices no great difference in religious or family life. She does, though, point out a marked difference in school structure. At her school, Mackenzie, student enrollment ranges over 11,000. "The reason for this is that unlike American schools, one begins in kindergarten through college at the same school." —What is Dagmar's favorite American food? —"A turkey dinner."

Leith, you've worked hard in so many things and I'm sure you'll continue to. You're a true Homestead representative.

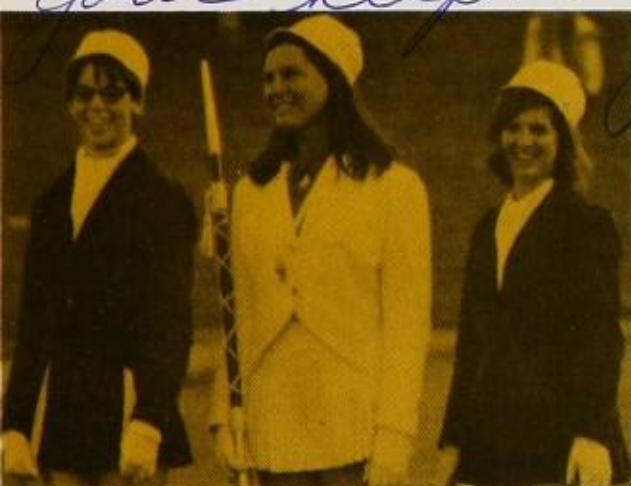

Kathleen McElhinney

DRILL TEAM

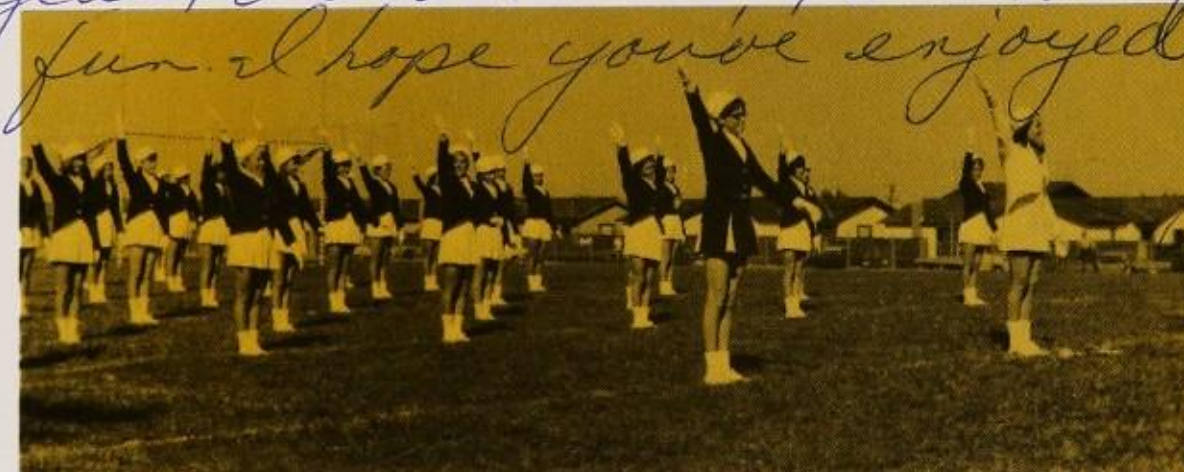

This past year meant hard work for the Equestriettes. Often having extra practices before school, the Drill Team mastered intricate marching and dance routines. The result of their tremendous effort was the unquestionable success of their formations during the half-time shows. The devotion and spirit of the Drill Team was in the true Homestead tradition.

Leith - you've really been a good friend and I appreciate your help. We've had our ups & downs this year, but all in all, I've really had fun. I hope you've enjoyed drill as I have. Lots of love, Laura

Co-captain Kathy Newman, Captain Laura Fraser, Co-captain Nancy Kupka.

FLAG GIRLS

A bright addition to the marching band this year were the flag girls. Their snappy routines lent a cheerful air to the half-time shows. Whether marching or twirling, Homestead's Flag Girls were a colorful spectacle.

*much
ve.
Luc*

*Leith; When your in drill team next
year I want you to have LONG hair or I'll
cry Love Steve*

PEP BAND

The Pep Band kept spirit and enthusiasm high at various activities this year. Always on hand to promote spirit, this active group performed at afternoon rallies, brunch rallies, nominating conventions, and Homestead basketball games. Full of fun and energy, the Pep Band contributed to the crowd's enthusiasm with music to match the mood.

MAJORETTES

Presenting interesting and skillful routines, Homestead's twirlers added color and precision to the marching band. With ease and grace, the girls performed as a unit and several times did solo routines. Their many hours of drill and practice were enjoyed by all.

The National Honor Society requires that members maintain a "B" average in their courses at Homestead. Approximately 100 juniors are initiated to this club each year after an objective examination of their scholarship requirements. Because NHS is an honor organization, each member's qualifications in citizenship and leadership are also reviewed by a faculty board. "This year we have raised enough money to offer a \$100 scholarship to one to four club members," stated Co-President Mike Jordan. Neil Bethel combined efforts with Mike, and both led the club in its fund raising activities, which included organizing a booth at the Roundup.

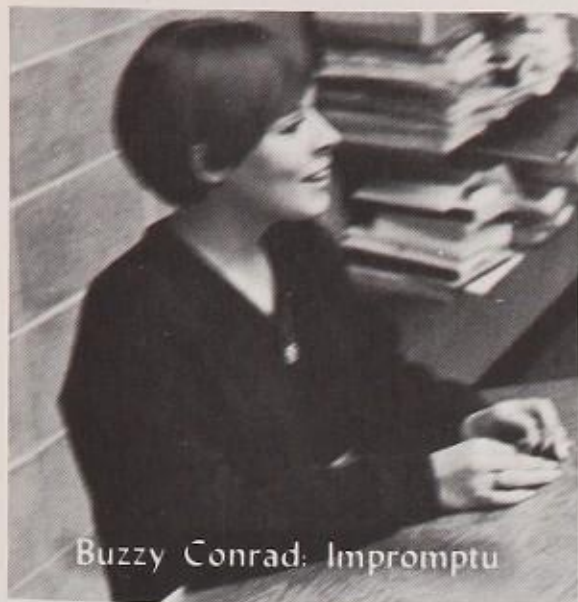

NHS Members

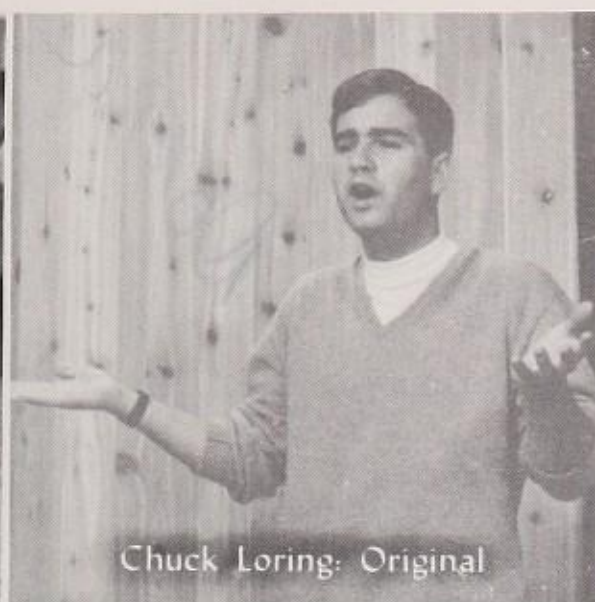

C.S.F. is the California Scholarship Federation's chapter at Homestead. It is one of the larger clubs in the school, primarily encouraging scholarship and offering supplementary activities for its members. Mr. Hanna, club advisor, supervised the planning of a trip within the bay area to an educational point of interest. Members were also able to work at the Roundup. According to second semester president, Vince Tobkin, the purpose of the club is "to increase interest in high standards of scholarship and to provide activities for students achieving these standards." Vince was elected to succeed first semester president Dale Ahearn. Satisfactory citizenship and an above "B" grade point average are requirements for membership to the club.

National Forensic League

"Speech is an all season sport," according to NFL advisor, Miss Weber. "It's going all year long!" National Forensic League encourages and rewards excellence in speech competition. Based on achievement and merit, membership recognizes the importance of linguistic ability and confidence.

This year, NFL members attended various speech tournaments, presented panels to civic groups, and gave speeches at community affairs. As predicted, Homestead students received awards at National Qualifying Competition at Stanford. Homestead has distinguished itself in the field of speech through consistent effort in training and presentation.

ALTHENIANS

"Altruism: an unselfish regard for and devotion to the interests of others." This is the philosophy of the twenty members of Althenians, Homestead's girls' honor and service organization. Scholarship, leadership, school and community activities, and attitude qualify a girl for membership.

"Regard for and devotion to others" has come to mean a variety of things for the energetic Althenians. The Annual Service Clubs Banquet was sponsored by the Althenians to bring together the four service clubs on campus. As a result of this get-together, the Althenians were given the cooperation of Key Club and Interact for the Mexican-American Christmas Party. The Job Skill Training Center, site of the event, was decorated and prepared for the four hundred underprivileged children of the migrant workers. Lunch and wrapped Christmas gifts were presented to the guests.

Traditionally, the Althenians are in charge of ticket sales and ushering of all school productions, serving at senior activities and Parent Faculty meetings. In addition, monthly visits were made by the Althenians to San Jose Hospital, where the members entertained the patients. Many Althenians also "patterned" a brain damaged little girl.

Heading the fall projects was President Pat Jones, Secretary Rose Marie Menager, Treasurer Donna Hofele, and Historian Janis Coblentz. Spring activities were under the direction of President Donna Hofele, Secretary Gail Shimamoto, Treasurer Sue Sechrist, and Historian Mindy Miller.

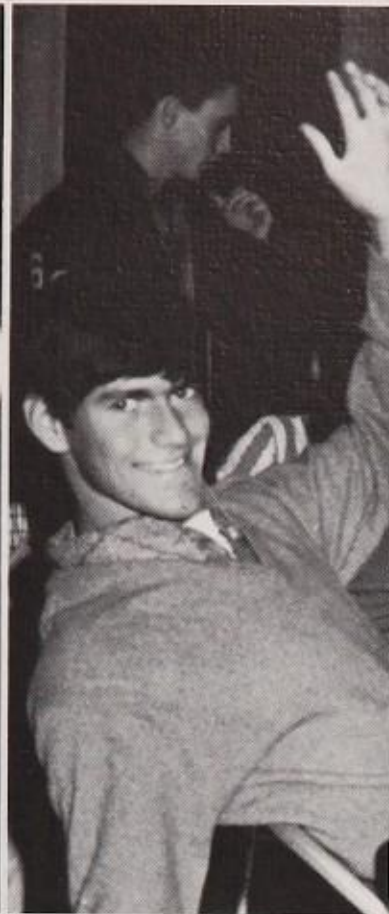

KEY CLUB

"To develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to prepare for useful citizenship, and to encourage higher standards in scholarship, sportsmanship, and social contacts" are the purposes and goals of Homestead's Key Club.

The twenty-nine energetic young men of Key Club have made significant contributions both to Homestead and our community. The well known information booth in the quad is the handiwork of Key Club craftsmen. Weekly vehicle checks were conducted by the club in the student parking lot. In addition, Key Club sold football programs, bought, delivered, and decorated the tree for the Christmas Ball, donated \$150 to CARE for an overseas school, and helped the Althenians give a Mexican-American Christmas Party. Springtime brought the annual Parent-Son Banquet, and the traditional Sweetheart Banquet. Slave labor, provided by Key Club members, was sold on Slave Day.

Round-Up Day
Fierce, aren't they?

Interact is a young men's service organization sponsored by Rotary International. This year, members conducted projects at the school, community, and international levels.

The fourth Annual Benefit Hootenanny was staged September 22 by Interact. Groups from Foothill, San Jose State, and Homestead's own Mr. Lew White entertained at the hand-clapping event. Interact also staged the first known tricycle race on Homestead's campus. Seventeen clubs competed for first prize, with all proceeds going to the March of Dimes.

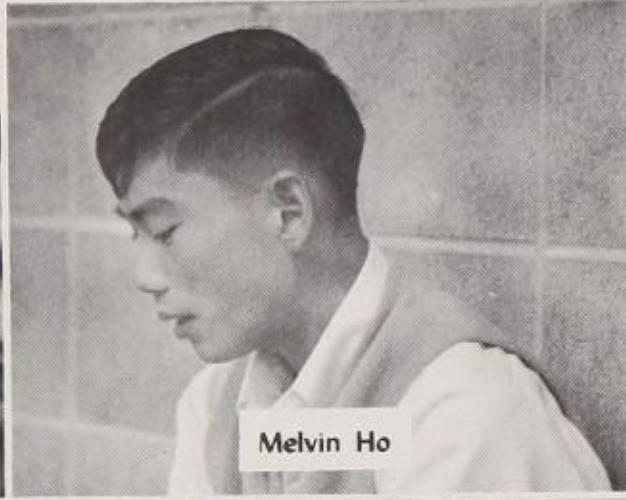

The Yule season found Interact members assisting the El Camino Hospital Auxiliary at their Candle Show, and aiding the Althenians in the decoration and supervision of a Christmas Party.

The club's influence was felt around the globe. Interact members financially adopted a young Korean girl, Yun Ok, through the Save the Children Foundation. Interact also contributed to the foundation of a school through CARE in the Philippines.

Responsible for the outstanding Interact year were president John Bean, vice-president Tom Comer, secretary Howard Cunningham, and Mark Sayer, treasurer and Sergeant-at-Arms.

"S" CLUB

Service and friendship highlighted the 1967-1968 year for the 40 members of "S" Club. Chosen on the basis of enthusiasm, leadership, and scholarship, the number of girls in the club is proportionate to the number of girls in each class; senior, junior, and sophomore.

Taking an active interest in school and community, the "S" Club participated in the Food Booth at the Round-Up, sold Mums at the Homecoming Football Game, helped the Soroptimist Club in their fund raising rummage sale, and worked a fund raising event, a Halloween Haunted House. During Christmas, "S" Club collected toys for Mexican-American children, and made food tray favors for hospital patients.

Directing all this energy was the job of president Florence Seid, vice-president Maureen Gilbert, secretaries Carol Freed and Linda Bagnall, and treasurer Laura Fraser.

Linda del Rosario

Gymnastics

Any girl who wished to develop skill on the balance beam, trampoline, uneven parallel bars, or tumbling could participate in the Gymnastics Club. Miss Reist, the advisor, offered personal instruction as well as supervision of individual practice.

Electronics Club

Anyone with an interest in electronics was welcomed to the Electronics Club, under the direction of advisor, Mr. McCollom. The groups paramount project this year was the formation and maintenance of a radio station. Field trips to Raytheon, IBM and a computer theory class, organized by club president Steve Wozniak, made this year exceptionally stimulating.

Math Club

Through participation in such contests as the San Jose Mathematics Field Day, the Math Club encouraged those with an interest in higher mathematics to learn about and experiment with different kinds of numbers. President Vincent Tobkin and advisor Mr. Stocking initiated the formation of a highly interesting computer programming class. The club also organized the Second Annual Homestead High School Math Contest.

Modern Dance Club

One of the new clubs on campus this year was the Modern Dance Club. Under the direction of Mrs. Diridon, these talented dancers made a significant contribution in making the Christmas Pageant, THE NUTCRACKER SUITE, and the spring musical, GUYS AND DOLLS, excellent productions. Club members studied both dance performance and choreography. Guest instructors occasionally conducted the sessions. To round out their experience participants attended several concerts and ballets.

Block H

Assisting at "Back-to-School Night", picking the Homecoming Queen candidates, and organizing the Big Wrestling Tournament were only a few of the numerous responsibilities of Homestead's Block H Club. Organized by club president Tim Wilson, the basketball game between Homestead's faculty and the Harlem Clowns proved to be one of the most successful club activities this year. The Block H Club served Homestead well while cultivating good fellowship among athletes.

Science Club

In order to become involved in different aspects of science not generally taught in the classroom, the science club held several activities such as a visit to the Stanford Linear Accelerator, a trip to the Moss Landing Marine Center, and the organization of a slide rule clinic. Guest speakers from the Geological Survey and Lockheed came on the invitation of president Sandy McDonald.

French Club Members

FRENCH CLUB

The French Club had a very successful year. Led by Sally Hales as president and Miss Steelman as advisor, they held their second annual Fondue Party early in the year. A field trip to San Francisco to see *l'Homme et Une Femme* highlighted their spring activities. The main purpose of the club was to give interested students a clearer understanding of French society and culture. Several speakers who had traveled to France aided the members in accomplishing this goal.

Fondue Party

Sally Hales: President

SPANISH CLUB

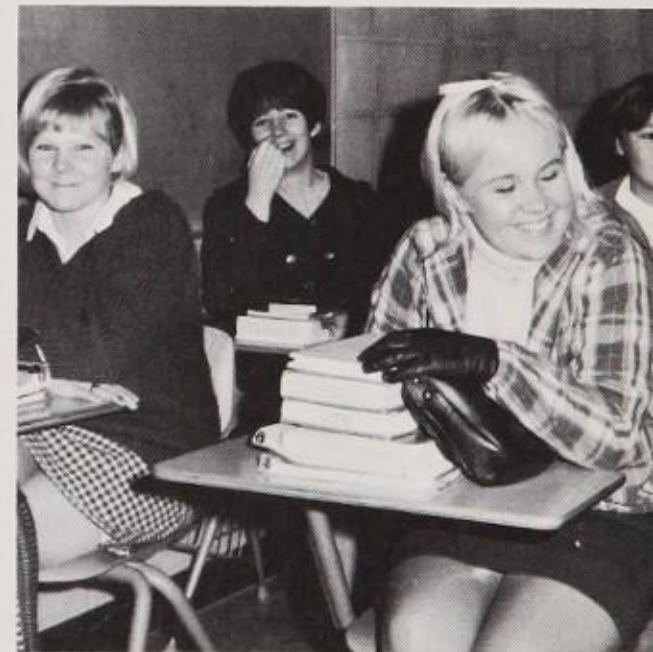

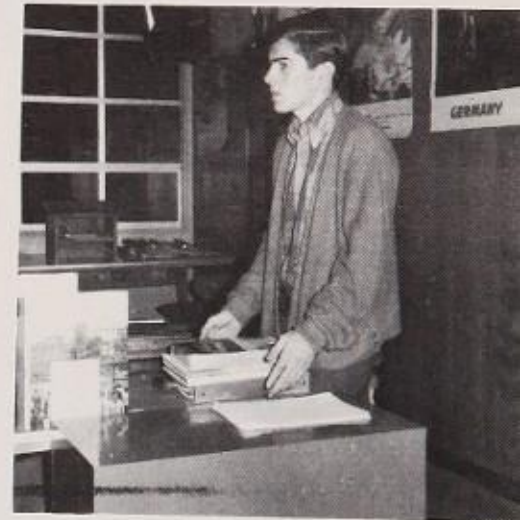

"Bienvenidos!" Steve Stauss, president of the Spanish Club extended this cordial welcome to any student interested in the culture of the Spanish-speaking countries. This active club invited guest lecturers to give presentations about either Spain or any Latin American country, and discussed various aspects of life in those countries.

The Spanish Club attended cultural events, such as a performance featuring flamenco dancing and a performance of the Mexican ballet. Club members also prepared short plays for the Foreign Language Field Day.

GERMAN CLUB

"The German Club has greatly helped me to understand the German people," exclaimed John Bean, the president of German Club. He emphasized that the club is open to all people interested in the German culture and that a knowledge of the language is not necessary for membership in the organization. An Octoberfest and a German breakfast, highlighted the fall portion of the year, and a trip to San Francisco added excitement to the spring semester activities.

LATIN CLUB

One of the most active clubs on campus, the Latin Club, began this year with their annual Latin Banquet, organized by their president, Peggy Ehmann. The first and second year Latin students served as slaves, the third year students as Patricians, and the fourth year students reigned as gods. In keeping with the Roman theme, all wore togas. Several members attended the annual Latin Convention meeting during Easter Vacation, a state-wide meeting of proficient and interested Latin students in which all have a chance to practice the language and become familiar with the customs of Ancient Rome.

Centaur

The Centaur, Homestead's literary magazine, contained the best of selected fiction, non-fiction, and poetry submitted by students. Anyone could submit his work, whether they be school assignments or independent creative writing. The magazine staff made the final judgment of material to be published. Again this year the Centaur included selected photographs by students and student work from the art department.

The Art Staff: Diane Smith, Debbie Brown, and Mindi Miller.

Dick Riner, Mr. Ferentinos, Linda Del Rossorio

The Centaur writing staff: Amy Falkowitz, Sue Secrist, Jill Hendricks, Roberta Dill, Paula Wisch, and Ken Jones.

Av-Tv

The Av-Tv club, composed of students interested in Audio-Visual and Television, provided operating personnel for the T.V. studio and generally acquainted members with communication media. Members set up public address systems for various student body programs and operated projectors, recorders, etc. in the classrooms. Other projects included running a booth at the annual Round-Up, operating a concession at football games, and visiting commercial television stations.

Fred Gillespie, Nick Manousus, Desmond Fielding.

Don Herlth, Peggy DeMouthe, Steve Nelson.

Scribes

Under the direction of their advisor, Mr. Ferentinos, the Scribes, Homestead's creative writing club, provided the means for improvement of writing skills. Meeting bi-weekly in member's homes, the Scribes read aloud their original stories, poems, and essays after which the entire group offered constructive criticism. A great deal of entertainment as well as rewarding experience highlighted a valuable learning year for Homestead's aspiring writers.

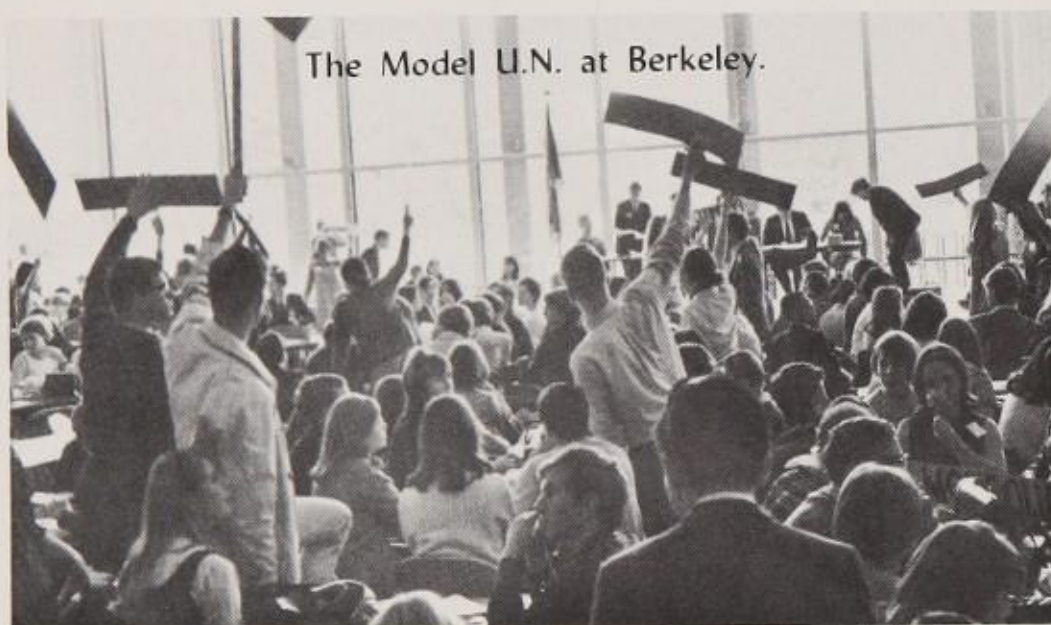

Teresa Gisske: President

International Relations Club

An extra duty for Sherry at the Model U.N.

The Model U.N. at Berkeley.

International Relations Club provides a means of gaining further knowledge of international relations and acquiring a better understanding of countries throughout the world. This past year, several meetings were highlighted by guest speakers representing views from foreign countries. IRC members also had the opportunity to prepare a Youth for Understanding student dinner to welcome the new exchange students. Preparation began months in advance for the annual Model United Nations at U.C. Berkeley. Homestead High School students shrouded their American identity to become Dutch citizens, whom they represented at the conference.

Mrs. Lyons informs members about UNICEF Christmas cards.

FTA Club Members.

Future Teacher's Association

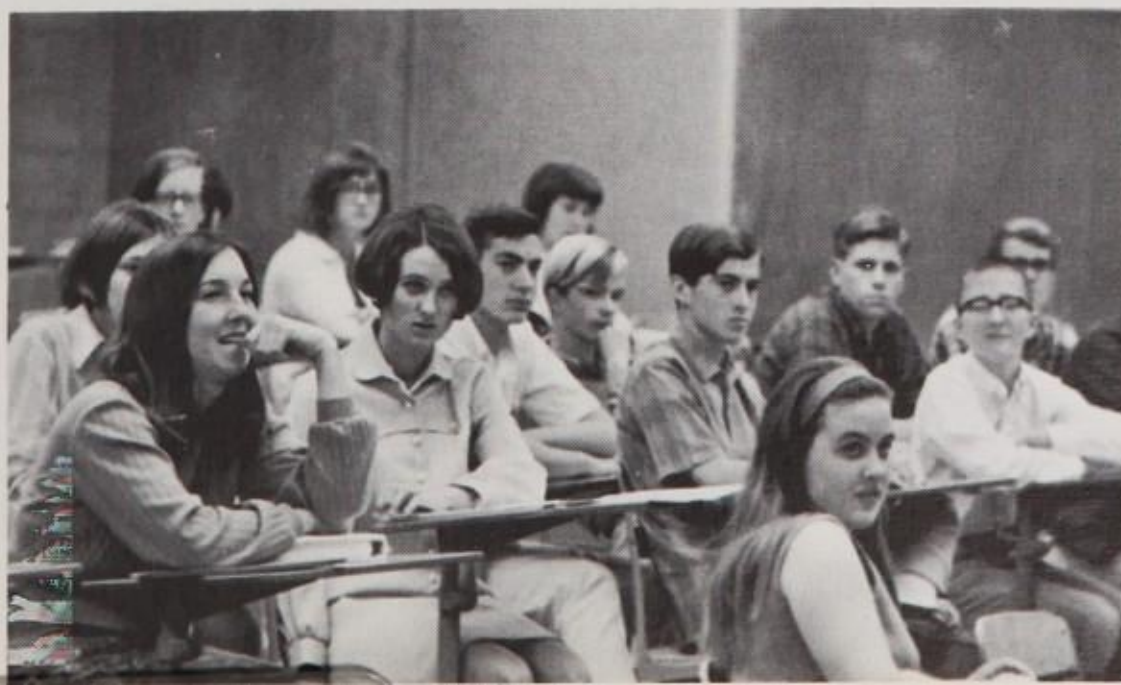

The Future Teachers Association provided interested students with insight into the teaching profession through guest speakers at meetings and participation in activities such as the Teaching Career Day at San Jose State College. Decorating the faculty room for Christmas and tutoring other Homestead students added to the active year led by president Maureen Gilbert and advisor Mr. Fulcher.

Junior Statesmen of America

"J.S.A. offers an opportunity for students to become more aware of today's political issues. All students are invited to come, listen to the presentations, debate, express their thoughts, and take a stand. We only ask that they listen to both sides first," commented club member Tom Comer. J.S.A. the only political organization on campus provided an open forum for intelligent discussion and a foundation for future political participation. Students learned how to formulate bills and resolutions, and how to present them, giving them valuable experience in our political framework.

This year, the club entertained many guest speakers, including two Marine Captains who provided the rebuttal to an anti-war film. J.S.A. also assisted with the Minority Groups Conference at Homestead. Also, club members attended a state-wide convention in Sacramento.

Pegasus

Each year, the Pegasus staff tries to convey a picture of what Homestead has been like, not only in separate events such as sports, activities, classes, and faculty, but also in the overall view of what the year presented. The students working on the staff saw a spirit that arose from challenging changes. Rich Trotter, Teresa Gisske, and Mr. John Plungy followed the events and tried to depict the real spirit through the improved use of candid photos.

Unity yet diversity was shown through senior and under-class campus life. Identification pictures as well as informal photos emphasized the enthusiasm from each class meeting a new and different year.

Activities took on a new light. Bigger pictures were presented showing how students were challenging the new ideas and new activities. To those who look back on the yearbook a few years from now, a bit of the color and excitement will live again.

Hard work, tremendous pressure, anxiety, and fear were typical of the sports events. We had many a winning team, challenging other schools and records, as well as themselves. The sports editors tried to stop the motion and give the viewer a look at the emotions that go into making Homestead's great teams.

The challenge of change was also felt in the faculty. Their untiring work was seen and their lighter sides were not forgotten. Faculty editors tried to give a new side of our curriculum.

For the first time, color was employed throughout the Pegasus. The kaleidoscope effect of colors reflected the spirit of the changing challenges of 1967-1968.

EDITOR: Don Mack

Using last year's "A" rated paper as a basis, this year's *Epitaph* editor, Don Mack, expected an even higher rating for the 1967-68 editions. The staff created better and more interesting layouts. They dealt with articles affecting the student on campus as well as social pressures affecting the student outside of school. The use of candid rather than posed, formal pictures improved the photographic aspect of the paper. The *Epitaph* included two eight-page issues this year with the Christmas issue featuring color. Two issues edited solely by Juniors came out, providing valuable experience for next year's staff.

Reporters

Campus Reports

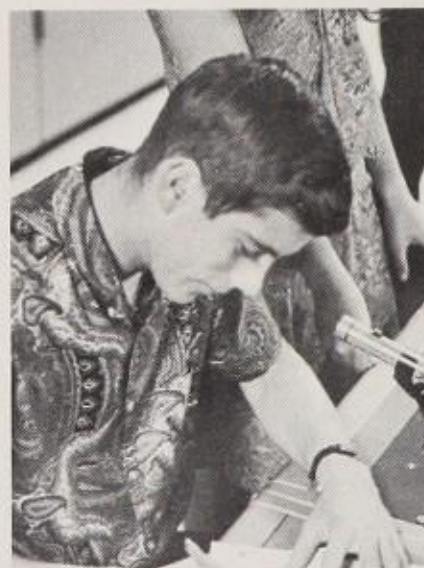

Mike Jordan

Skip Robidart

Debbie Bogart

There were significant changes in Campus Reports this year as the program changed from a weekly to a daily format. The presentations covered all facets of campus life from outstanding sports reports and political campaigns to plugs for student activities such as plays, dances, and games. A new feature this year was the ski report given each Friday during the season.

The hard working crew of Mike Jordan, Skip Robidart, Debbie Bogart, Mary Stewart, Dave Sanford, and Bob Saenz had the responsibility of organizing the programs. They wrote the scripts and took over all the functions of the T.V. studio including cameramen, Studio Director, Audio Operator, and Video Operator. Mr. Warren, Mr. Wittke, and Mr. Weiss provided the professional technical advice.

Mary Stewart

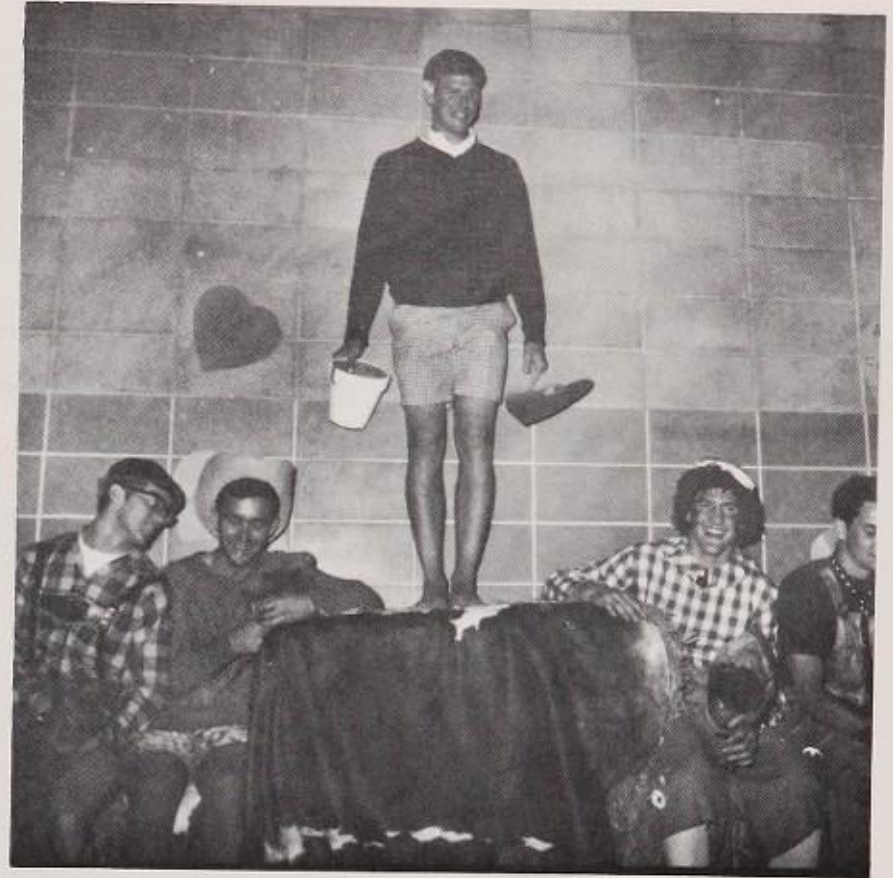

Dave Sanford

Sadie Hawkins

Piles of hay together with yellow and orange hearts set the mood for "Love on a Haystack", Homestead's 1968 Sadie Hawkins dance. Couples danced to the music of the Copper Brick Window and drank soft drinks in the Ol' Saloon. The evening was highlighted by the crowning of Steve Bielenberg as king. His court included Don Mack, Lin Loring, Bob Pifferini, and Dan Duckworth. Chris Wahle and Bob Pifferini reigned as best dressed couple.

bad grade. John

Homecoming 1967

Golden trumpets signaled the arrival of Homestead's fifth annual Homecoming Dance. Castle walls, palace courtyards, and medieval countryside set the theme. Felt flags, streamers, jousting stand, and stained glass windows added to the decorations. More work and organization went into the making of this complete setting than in any dance previously held. It can be well said that the effort was not wasted.

From 8 to 11, music was provided by Johnny Vaughn and his orchestra. But the climax of the evening came with the coronation and presentation of red roses to Queen, Linda Bagnall. Princesses Chellie Faber, Schoen Faber, Pat Jones, and Suzanne Mulkern were each presented with yellow roses.

1967 Christmas Ball

"Under the Mistletoe"

Lively music of the California Brass and an abundance of mistletoe "made the season bright" for Homestead couples as they frolicked at the Christmas Ball. Festive red and white streamers and helium balloons adorned the walls and ceiling of the gym as the traditional Christmas tree regally occupied its place of honor in the center of the dance floor.

The cheerful atmosphere at the season was reflected in the student center, where the couples could eat, converse with Santa, have their picture taken, and recuperate from their energetic dancing. Wreaths of mistletoe and Christmas decorations made the centerpieces for the refreshment table, and a hearth lent a cozy air to the picture scene. The coronation of the Queen LaMarylis Harris by last year's Queen, Miss Janet Rust, highlighted the 1967 Christmas Ball.

Santa Claus presented the tearful Queen with a dozen red roses, and announced the four lovely princesses, Miss Rita Elory, Miss Linda Klocke, Miss Sue Sechrist, and Miss Julie Shepherd. Each princess received a bouquet of white sweetheart roses.

Activities Commissioners Jennifer Hemmes and Chuck Loring were responsible for the success of the Christmas Ball.

Art Club

Art Club Members

Homestead's Art Club this year was composed of those who either have an interest or an ability in arts and crafts. Many activities throughout the year kept the members busy. Headed by Toni Masterson, President; Linda Del Rosario, Vice President; Robert Booth, Treasurer; and Deb DeMarcay, Secretary; the Art Club hosted a booth at the Round-Up and a Poster Sale last fall. They also held an Art Sale in November, the proceeds going to the Art Department to buy equipment. During the spring, they all got together for an excursion to San Francisco and Oakland to visit various art institutes. Then to wrap up a most prosperous and outstanding year, they conducted another Art Sale.

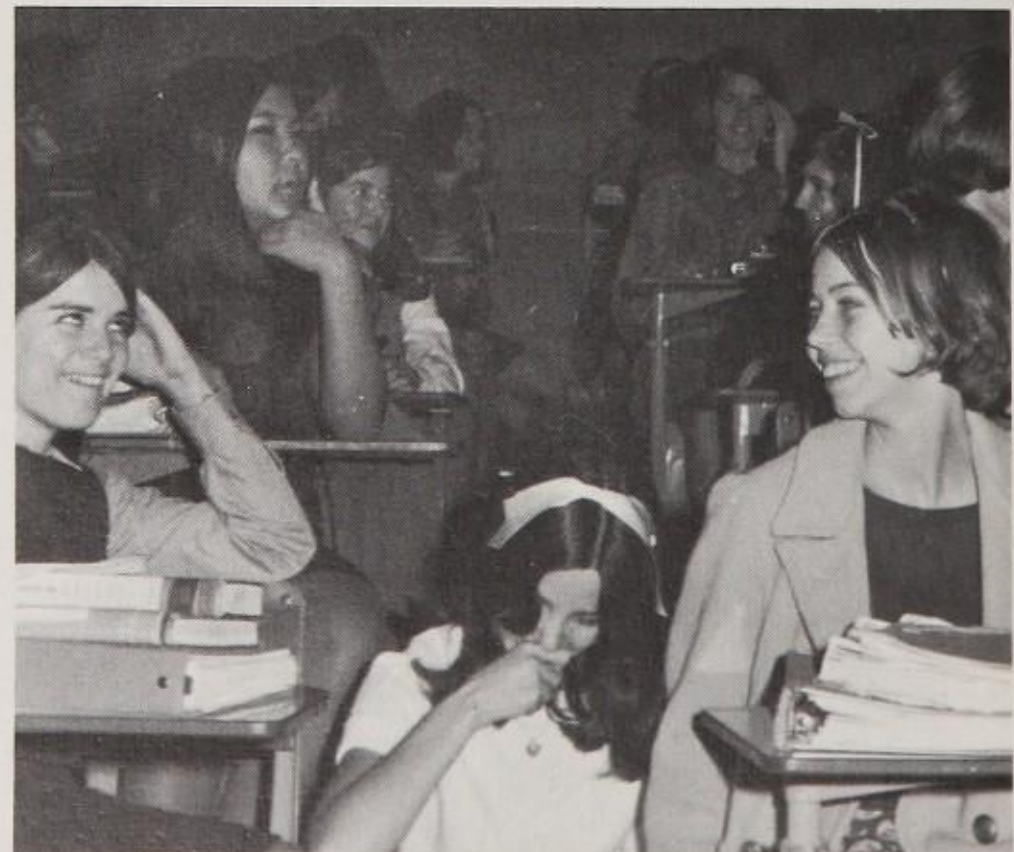

P

C
I
u
b

Dip tank on Round-Up Day, white section at football and basketball games, and colorful signs displayed at the rallies were only a few of the activities which enlisted the help of Pep Club members this year.

To insure a hard working group, fall club presidents Mary Droney and Sandi Gobets devised a point system whereby students interested in holding a spirit office had to acquire at least two hundred points, gained by attending games, wearing white, and painting signs. This point system proved successful when spring club presidents Sue Maynard and Sue Wilson enforced the new point system during try-outs and received the cooperation of many spirited members.

Drama Club

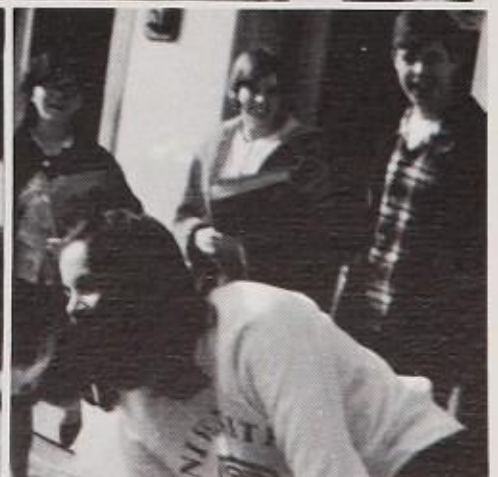

The purpose of Jesters, Homestead's Drama Club, is to increase interest in the dramatic arts.

The past year the Jesters have held many fund raising events including car washes, flea markets, bake sales, club dinners, and a melodrama followed by an Olio. All the efforts from these activities culminated in the annual end-of-the-year trip to Hollywood during the Memorial Day Recess.

The Diary of Anne Frank

THE DIARY OF ANNE FRANK

"In spite of everything, I still believe that people are really good at heart." The words of the *Diary of Anne Frank* came to life on the auditorium stage as Homestead thespians presented the annual fall play. The sensitive drama is a tribute to the eight Jews cramped in an attic for two years in a vain effort to escape the Gestapo.

The dilligent effort of the cast and crew reflected the outstanding quality of the production. The sincerity, wit, and compassion of all the performers contributed to the effective impact of the play. Especially appreciated by the audience was the realistic scenery of the annex. The stage crew spent long hours preparing and painting to create the war-time Germany atmosphere.

Equal to the stage performance was the energy and enthusiasm of many behind the scenes students without whom *The Diary of Anne Frank* could not have been produced.

CHOIR

Homestead was justly proud of a dedicated choral department this year. The fifty-member *A Cappella Choir* brightened the Yuletide Season with their performance to a full house at our Christmas concert, "The Sounds of Christmas," and by caroling around the campus. The *Girls Glee*, primarily a "training" chorus, added much to the evening. For the mid-year "Pops" Concert the choir entertained with selections from the Broadway musical *PORGY AND BESS*, joined by the Girls Glee singing numbers from *FLOWER DRUM SONG*. For the annual Spring Concert, "A" Choir and the Concert Band combined in a highly successful program. Piano accompanists this year were Carol Freed (Choir) and Pam Hill (Glee). Perhaps their most significant concert this year was the All-District Music Festival. Organized by Homestead's choir director, Mr. John Pleasant, and conducted by Mr. Royal Stanton, head of the Fine Arts Department of DeAnza College, The "A" Choirs of all five district high schools combined in an outstanding performance of such works as "Felices ter" and joined the District Orchestra, conducted by Mr. John Mortarotti, head of the Fine Arts Department of Foothill College, in Handel's "Te Deum Laudamus". Late in the year, the choir was invited to participate in the Campbell Invitational Choir Consortium, conducted by internationally acclaimed choral director Jester Hairston.

Not Pictured: Madeline de Porceri

After school, evenings, and often before school, the *Chamber Singers* and the *Girls Ensemble* rehearsed diligently, preparing a variety of selections for Homestead's Christmas program. A new organization this year, the Girls Ensemble highlighted the concert with their presentation of Benjamin Britten's "A Ceremony of Carols". Continuing a choral tradition initiated last year, the Chamber Singers again performed a series of Alfred Burt carols. Both ensembles represented Homestead in a traveling capacity, entertaining for the Palo Alto Women's Club at the Cabana Hotel, at the Portola Presbyterian Church, and at the annual Yuletide Festival at Villa Montalvo, where the Chamber Singers were joined by alumni of the group.

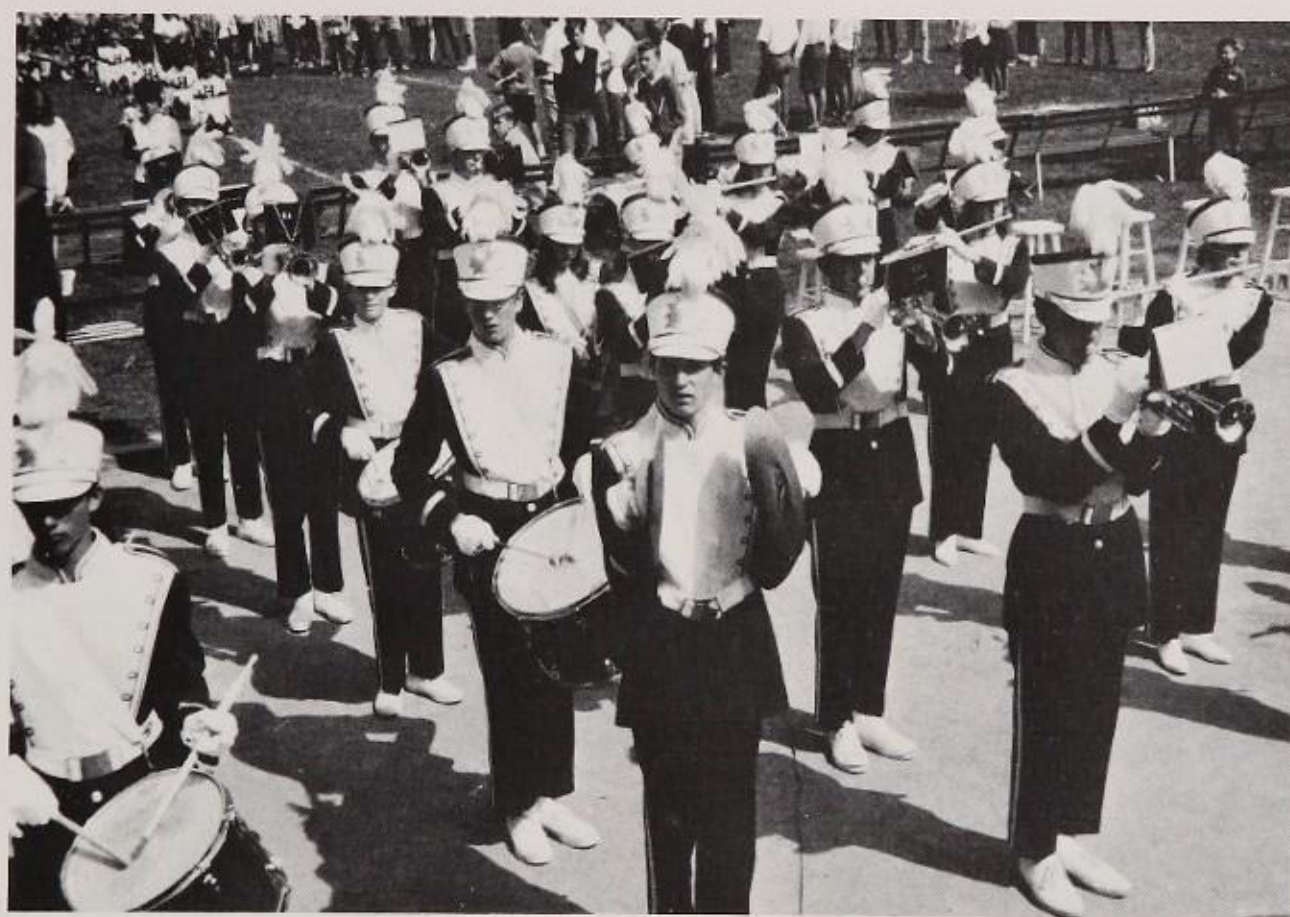

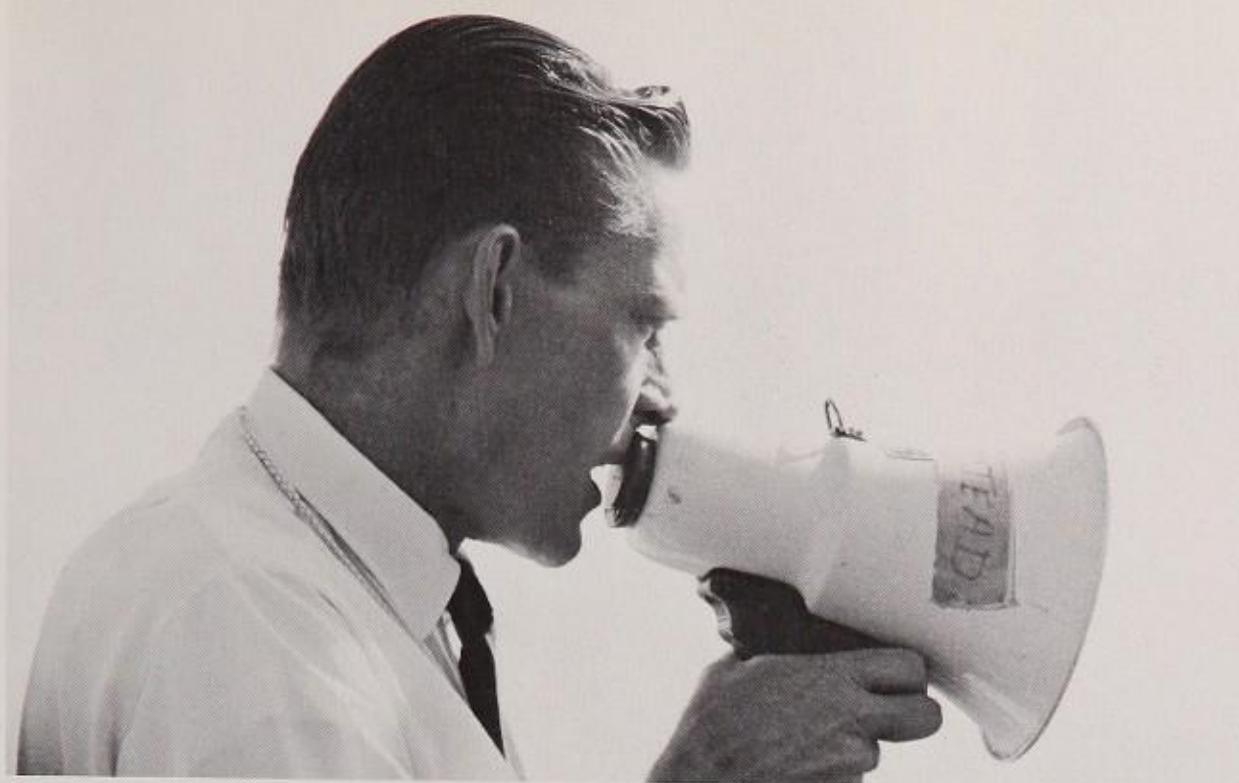

TOP ROW: Mimi Bernard, Laurel Schmidt, Jan Westberg, Don Mack, Reed Sparks, John Corstorphine, Karla Rehbein, Carol Freed, Nancy Hauben, Teresa Gisske. **BOTTOM ROW:** Lauralyn Beverage, Ellen Hart, Valerie Judd, Melissa Larson, Neil Rutman, Rick Matchell, Brad Knudson, Tim Chalmers, LaMarylis Harris, Barbara Quattrone, Marcia Deichert, Missy Ruth. MARCHING BAND

For the fourth consecutive year the Mustang Marching Band was voted the best in the area and among the best in the state. Directed by Mr. Donithorne, led by Reed Sparks, and with an enthusiastic seventy members, the band put a total of 800 hours in one show. The band's fast paced half-time performances easily matched the action of the Mustang's winning football teams. The sound of brass and percussion and the smart stepping precision marching of the Mustang bandsmen certainly brightened the Band Day in Berkeley.

Conventions

NOMINATING CONVENTIONS, held twice annually, gave students valuable experience in methods of nationwide politicking and campaigning. Students desiring A.S.B. executive positions prepared speeches and presented them to delegates from each advisory

who represented the states of the Union. Humorous diversions, music by the Pep Band, and unorthodox demonstrations were all characteristic of Homestead's conventions.

Expressed in the A.S.B.'s two legislative bodies, the Senate and the House of Representatives, are the opinions and interests of Homestead students. The Senate, pictured above, consists of two senators from each class, the four class presidents, and is presided over by the A.S.B. vice-president. The Senate votes on constitutional amendments, and has a working knowledge of Homestead's needs. The House of Representatives, pictured below, is composed of one representative from each advisory. Their duties include creating new bills, voting on issues, and the preliminary selection of spirit leaders.

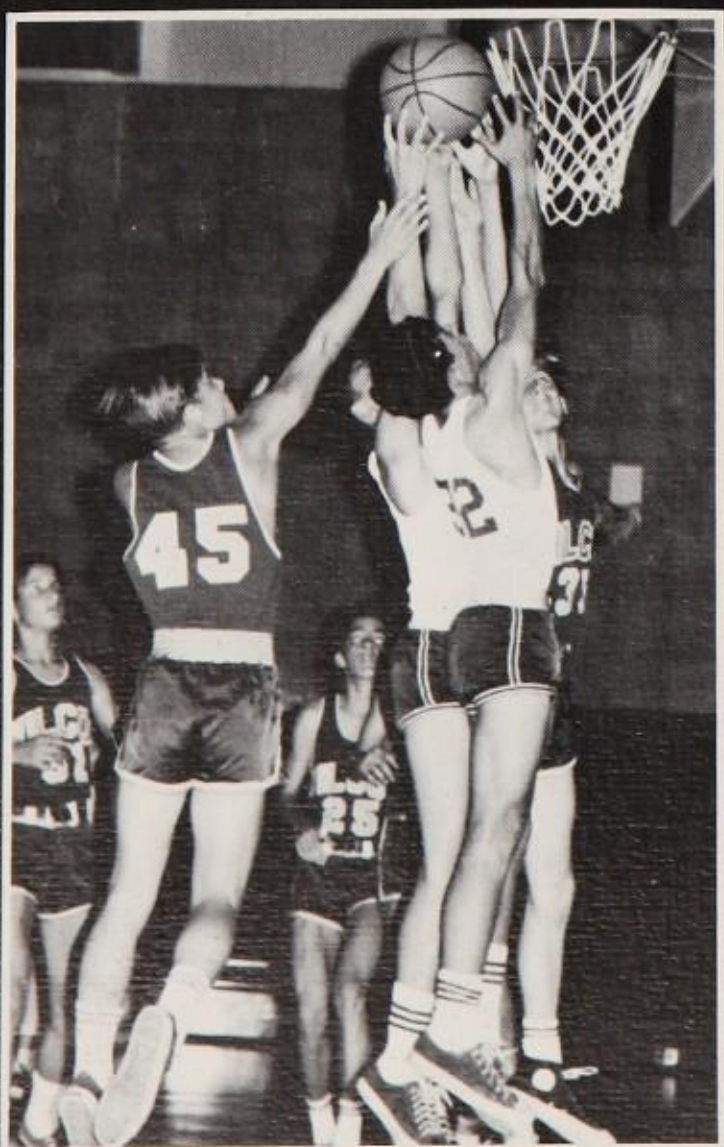

Board of Control

Enforcing lunchtime regulations falls into the hands of the Board of Control. The members volunteer time from their lunch hour to maintain order, enforce the litter code, and issue citations to the violators. Under the direction of Sergeant-at-Arms Dave Sanford and Bob Pifferini, the Board of Control became a powerful means of supervising campus problems.

Crown!

From the Los Altos victory to the Awalt triumph, Homestead's varsity football team never stopped fighting—or winning. Coach Ron Useldinger's sturdy squad completed the 1967-68 season with a 9 win no loss record to gain the Santa Clara Valley Athletic League championship, bringing honor to the team, to Homestead, and to the individual players.

Mr. Useldinger attributes the success of the team to the dedication of a group of young men to plant "Homestead's first Varsity Football Championship Flag in the S.C.V.A.L.", and to the hard work of the coaching staff.

In establishing their undefeated season, the team scored 322 points as compared to only 32 for the opposition. The most significant game of the season was the opener against Los Altos, in which the Mustangs defeated the Vikings for the first time in Homestead's history, by a score of 37-0.

In addition to the S.C.V.A.L. championship, the Homestead team was rated number one in Northern California throughout the season. Also, twelve players were named to the All League team and two to the Honorable Mention team, a new league record.

69"

Do Arkansas Razorbacks"

Driven by unity and determination, Homestead's Junior Varsity football team completed the 1967-68 season with a 4 win 5 loss record.

Coach Medina considered the Sunnyvale game "our best team effort of the year." The Mustangs held the Jets for 4 downs during the first half on Homestead's 1 inch line, going on to win the game by a score of 12-8.

Despite the absence of the team's number one quarterback, Homestead mustered a strong offensive effort to end the season on a winning note by defeating Awalt 6-2.

FROSH- SOPH CLINCH TITLES!

The Sophomore Cross Country team grasped the SCVAL crown with a perfect record of 12 wins, no losses. Sophomores Tom Brassell, Mike Kennedy, Glenn Thompson, Jan Remak, Randy Stahl, and Roger Stanger placed in the SCVAL All-league team. Named as having the best Soph team time in the nation with 50:08, they also scored a new school record. The Soph compiled an over-all record of 61 wins and 1 loss.

Though the '67 Freshman team placed only second

in the SCVAL, they were ranked as #2 in the nation! With a league record of 11 wins and 1 loss, the Frosh also posted an overall record of 57 wins, 4 losses. Receiving individual laurels, Rob Macrae reigned as individual league champion and Freshmen Darson Faber, Jim Brisco, and Rob Macrae obtained positions in the SCVAL All-league. Quite an outstanding achievement, Darson Faber registered a time of 10:20, thus making him the #1 Frosh runner in the nation.

FRESHMAN TEAM: (*BACK*) R. Rice, M. Chalupsky, C. Flynn, D. Faber, S. Leyden, M. McCutchin, R. Clark, M. Shrope, M. Beman; (*MIDDLE*) J. Baughman, M. Teller, G. Redden, M. Fenton, J. Hatfield, D. National Record Holders: Dave Sanford, Jack Christianson, Mike Ferguson, Tom Brassell, and Paul Gaesser

Coach Jack Jurian

For the year of 1967, the Varsity Cross Country team captured what seemed to be an endless number of titles. The five-man ten-mile team of Dave Sanford, Jack Christianson, Mike Ferguson, Tom Brassell, and Paul Gaesser set a new national high school record of 48:04, quite an outstanding achievement.

Seizing the SCVAL championship, the Varsity team ended the season with a record of 12 wins, no losses and an overall record of 62 wins, 2 losses.

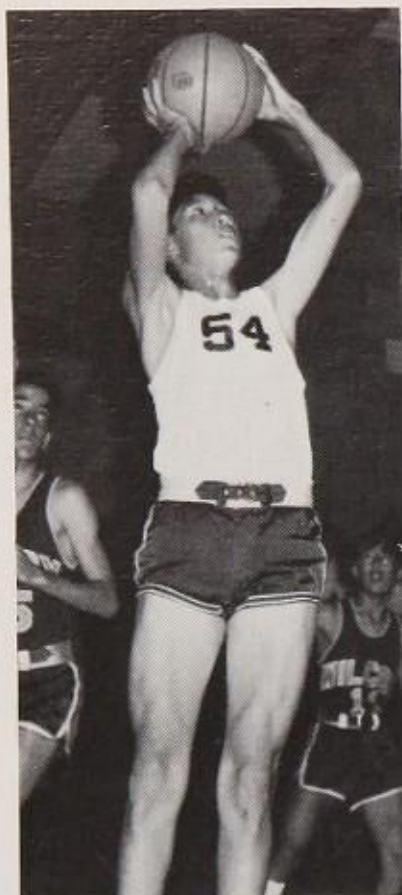

Not restricting competition to the area, Homestead's Cross Country team won the Region II meet at Vasona Park. They also placed 2nd in the Central Coast Section and ranked 2nd in the nation.

Homestead's Varsity team included Dave Sanford, Jack Christianson, Mike Ferguson, Steve Flynn, and Paul Gaesser in the SCVAL All-league team. Additional honors went to Dave Sanford and Jack Christianson, making the 1st team in All-northern California. Mike Ferguson represented the 2nd team while Paul Gaesser ranked with honorable mention.

The team elected Dave Sanford, having the fastest senior time in the nation, as most valuable player and scholar-athlete.

C and D Basketball

The 1967 "D" Basketball team had a very successful season as they finished 3rd in the league with 8 wins and 3 losses. Chris Vitale, most outstanding player, established a new school "D" scoring record for one season. Helping him defensively, Dave Egusa and Greg Fish did a fine job. The team averaged 34 pts. a game while they held opponents to an average of 28.5 pts.

Team managers, from l. to r.: Scott Jenkins, Gary Chronet, Rick Moore.

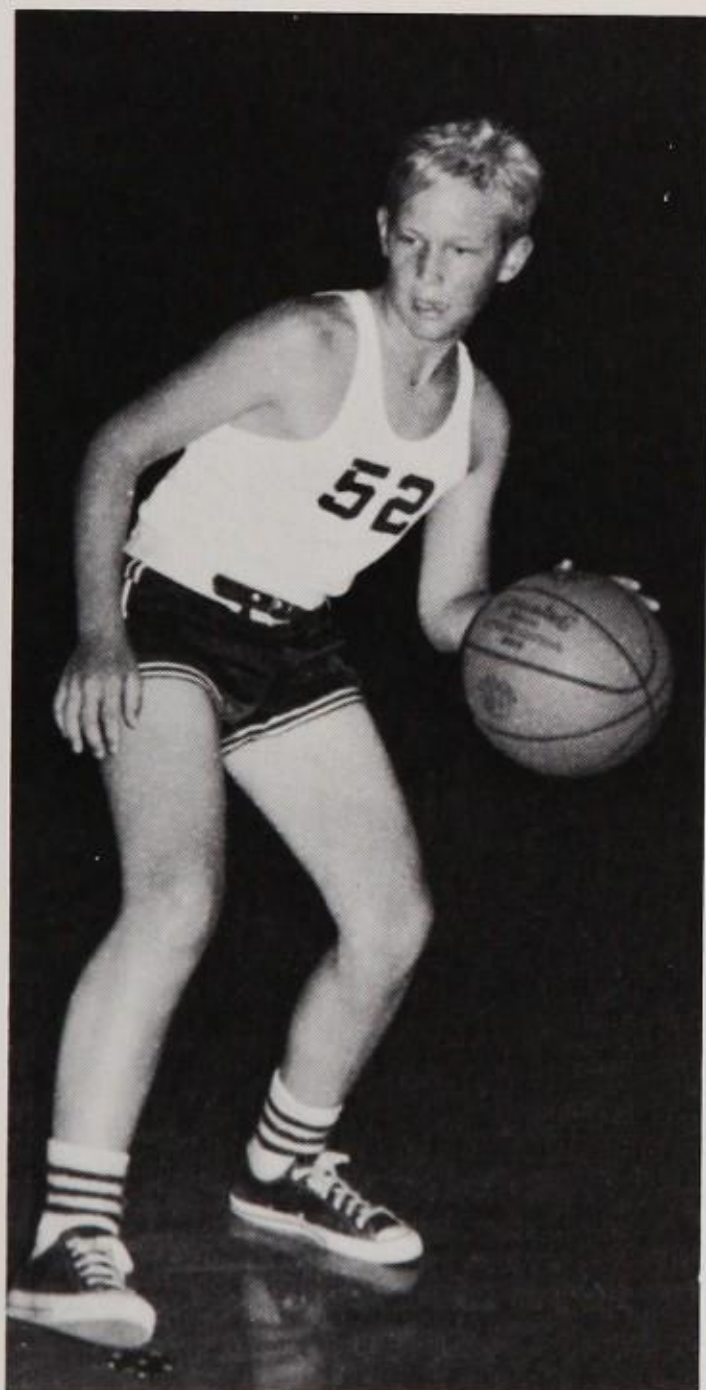

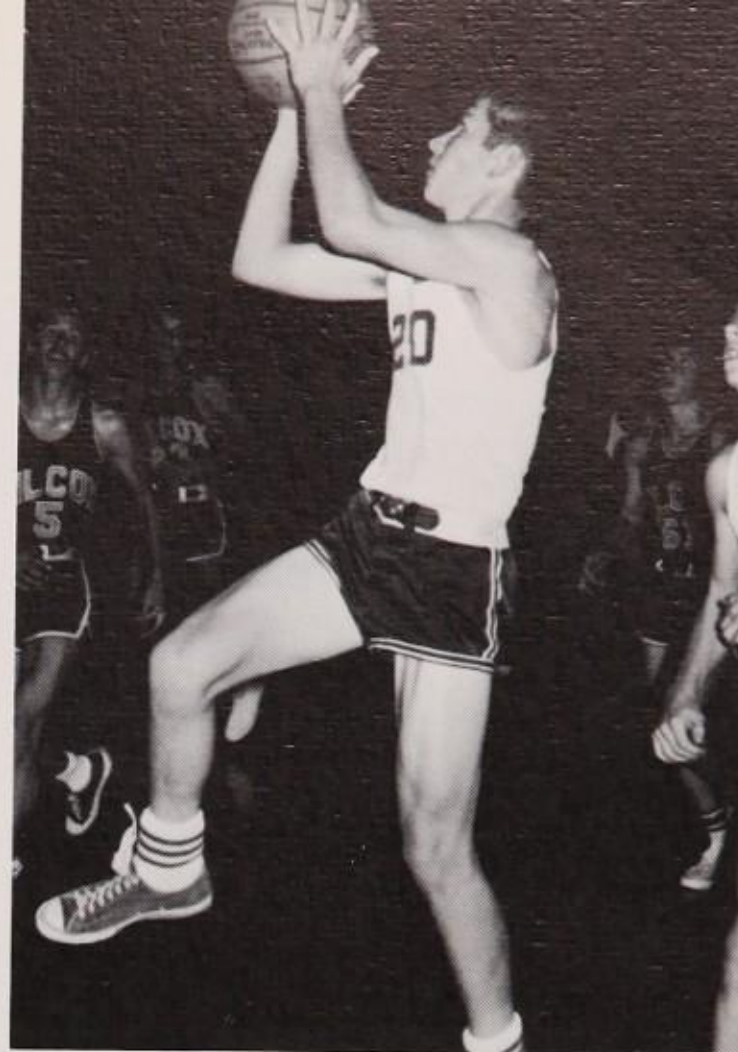

Although the "C" basketball team was handicapped by inexperience, they finished the year with a fine performance of 6 wins and 5 losses. Pacing the team on scoring, senior Melvin Ho set new "C" scoring records for points made in a single game (26pts.) and points for the season (196pts.) Working with him in the defense, Steve Recht and Jim Meyers were expecially outstanding. Also, a great deal of credit is to be given Gary Lester and Bill Sutton.

Coach Mathieson and "C" strategy.

"D's" from l. to r., *TOP*: C. Vitale, K. Anderson, D. Egusa, M. Havill, D. Leister, *MIDDLE*: S. Reynolds, T. Rodriguez, S. Carlson, M. Byler, *BOTTOM*: G. Fish, S. Hook, P. Rafalow, R. Miller.

Contemplating Capt

Offense with Oomph!

It was a very special year for Varsity Water Polo—a champion year, the very first one. From relative obscurity six years ago, Homestead has risen to be ranked as the sixth best high school team in the nation.

From a group of enthusiastic freshmen, a well-balanced squad of swimmers and ball-handlers has developed. A well disciplined offense and a tight defense enabled the team to end its season with an 8-1 record. In the most impressive game of the season, Homestead dethroned Santa Clara 7-6 in overtime play, and became SCVAL co-champions with Santa Clara and Buchser.

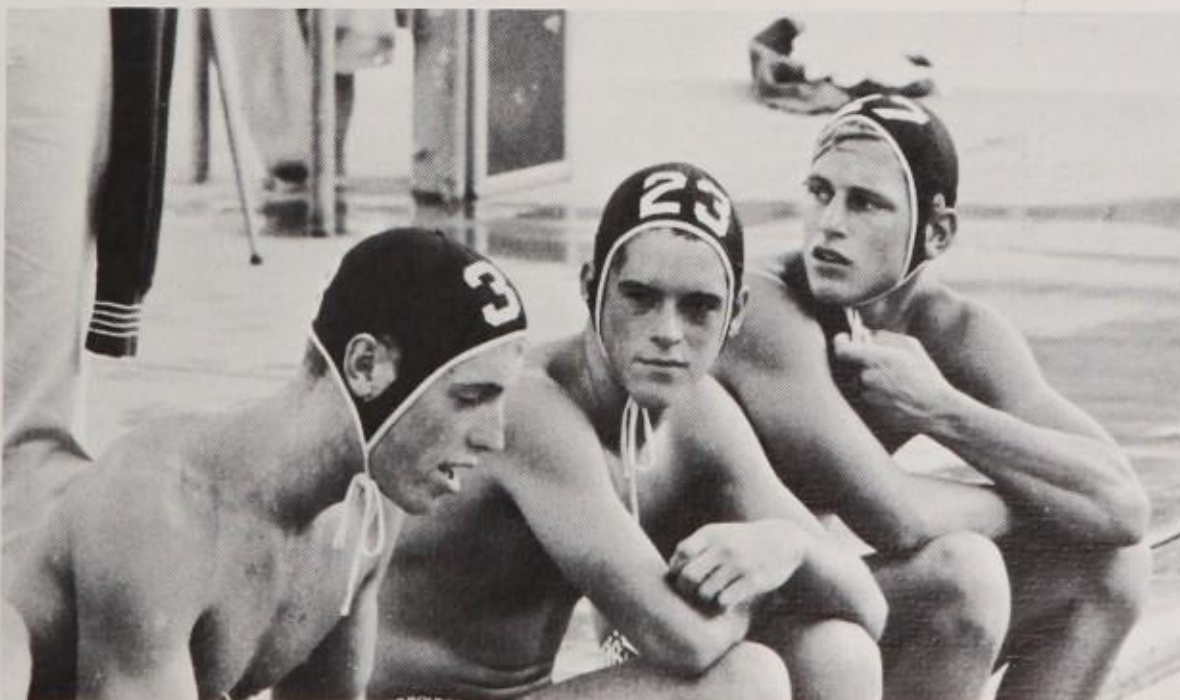

To top off the season, Coach Hepner guided the team to second place in the Northern California Invitational Tournament. Steve McKinzie, Dave Kirby, Bill Simpkins, Mike Wargo, Steve Gentes, John Gebers, and Mike Jordan were named to All-League Teams.

Under the guidance of Steve Barnett, the Homestead Frosh Soph water polo men chalked up an impressive record of 8 wins 1 loss. This gave them their third consecutive championship. Steve King, Larry Wargo, and Jeff White were placed on the All League team with Rick Gebers, Jim Parker, Jeff Taylor, and Steve Fisk capturing Honorable Mention. After being defeated by Santa Clara these boys came back with tremendous spirit to clobber Sunnyvale and Cupertino. As captains, Larry Wargo and Steve King piloted this great team to an average of 10 points per game.

The Junior Varsity Basketball team completed a successful season of play with an 8 win 3 loss record, finishing 3rd in the league.

Except for the Junior co-captains, John Carrol and Scott Crittenden, the team featured all sophomores. The team was led by John Saich, a unanimous choice for first team All League. Saich also broke the school scoring record with a thirty point production against Peterson High School.

B A S K E T B A L L V A R S I T Y

Though the Varsity Basketball team finished the season with 7 win-4 loss record, they nevertheless provided the league with a lot of competition and were known as "the team to beat". The team captured the consolation trophy at the Buchser Invitational, beaten only by the champion, Archbishop Mitty High School. 6' 7" center Marty Petersen did exceedingly well as he was named to the All-SCVAL team and the league's 3rd most valuable player.

And Marty scores again

COACH HEPNER

The Homestead Mustangs, urged on by Coach Henner, pooled their strength to compose the 1968 edition of the swimming and diving teams. The inaugural athletic clash between Santa Clara and Homestead came on March 22, when the two teams battled a tension-filled meet. Although ending in defeat, the Homestead wetbacks came back to avenge oncoming teams. The varsity, led by key members Steve Gentes, Dave Kirby, Steve McKinzie, Bill Simpkins, Mike Wargo, and John Gebers and the Bees team, led by Steve Fisk, Jim Parker, Larry Wargo, Jeff White, Doug Woodruff, and Conrad Zaiss marked this year's performance with spirit and high morale.

Leaving home.

The Lacki thrust

Coach Hemphill

Quite as expected, the Homestead Varsity Baseball team led the SCVAL in victories. With the experience of Coach Hemphill, the talents of two south paw pitchers, Tom Changnon and Steve Lacki, and rounded out by such hitters as Bob Pifferini, Tim Wilson, Dennis Kinzy, and Bret Godfrey, there was little question as to their championship ability.

Junior Varsity Baseball

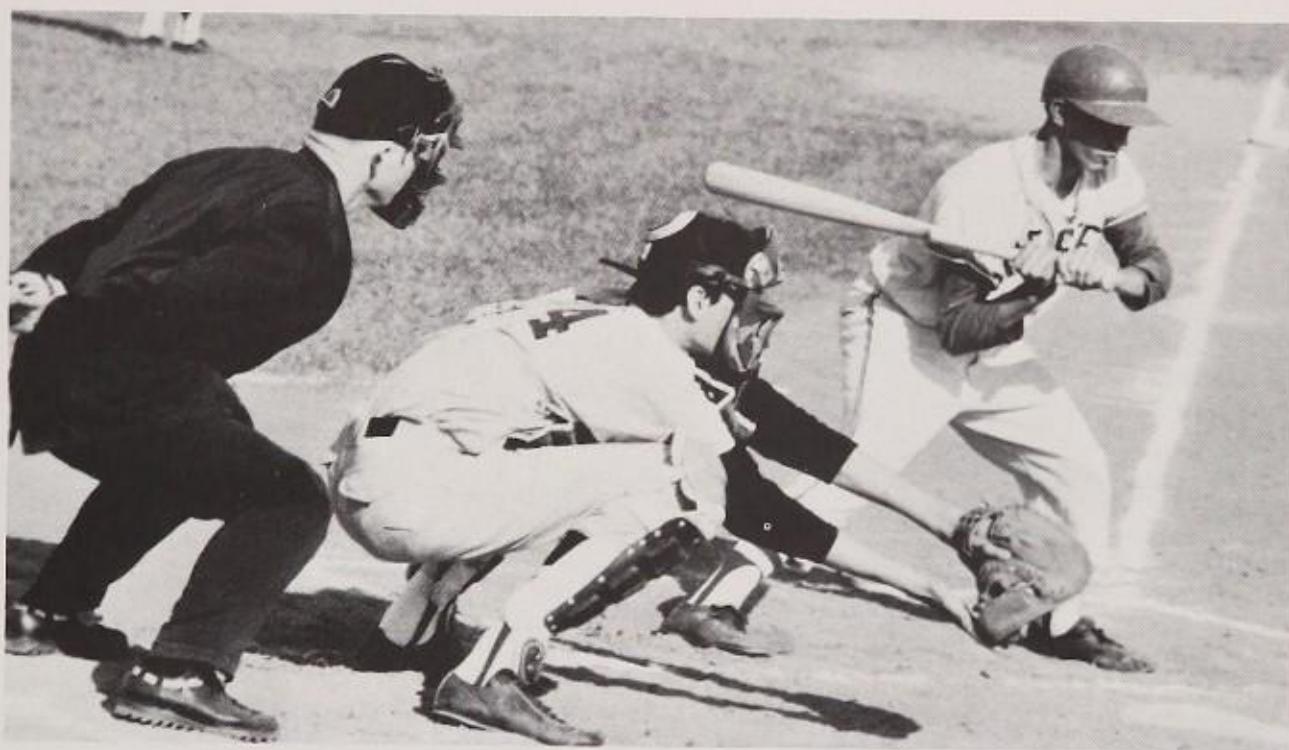

"This has been the greatest junior varsity team in the history of Homestead," declared Coach Sartwell of the 1968 baseball team. Strengthened by the excellent pitching of Frank Ramos, the fine batting ability of Burke Weismann and John Mariana, plus the tremendous spirit on the part of all team members, the junior varsity baseball team captured victory after victory.

BACK ROW: Coach Sartwell, R. Pitney, J. Detwiler, M. Fenton, K. Gordon, D. Moore, B. Robidart, F. Reynolds.

BOTTOM ROW: A. Boomer, T. Overgard, M. Brown, A. Jordan, R. Meyer.

1968 was the year that Homestead's varsity tennis team had looked forward to as they placed high in the league standings. This was the goal that Coach Koch had in mind when he started building up the powerful team two years ago. Dominating the team were the juniors with a strong ace in senior Mark Brown.

The junior varsity squad also did exceptionally well in the league encounters. As had been expected the sophomores and freshmen spearheaded a fine showing against opponents. Assisting the team in their outstanding performance was head Coach McGhie and Coach Hawkes.

Coach Medina

It was a year of rebuilding for Coach Medina and his Homestead Gymnasts, since only five members on the squad were seniors. Outstanding young gymnasts who gave promise of great things to come were Blake Streb, Wayne Manahan and Ken Winston. Bolstered by senior Jim Butts, who placed second in Northern California in 1967, the gymnastic team gave an exceptional effort.

TRACK AND FIELD

FRESHMAN TEAM: (l. to r.) *BOTTOM*: Prickett, Rivas, Thoman, Chesshir, Kramer, Brisco, Ware, Llerena, Miller, Hall, Kanter, Byler. *2ND ROW*: Church, Winger, Spindler, Ferguson, Rice, Pirie, Hullin, Byrd, Devou, Birch, Jarvis, Baughman, Miller. *3RD ROW*: MacRae, Bragg, Card, Graham, Shimamoto, Bour, Napier, Connelly, Asbra, Martin, Smith, Pihorsky, McCutchin, Gillum. *TOP ROW*: Clark, Teller, Westouer, Slaughter, Gumbel, Summers, Flynn, Faber, Leyden, Chalupsky, Vanwart, Kenney, Tobkin.

TEAM MANAGERS: *FRONT* (l. to r.) Truderung, Malcolm, Irvine, Hidde. *BACK*: McFadin, Brooks, Wade, Zeitman.

All three of Homestead's track and field teams, the frosh, "B's", and Varsity, racked up top positions in the S.C.V.A.L. The Varsity team especially showed what talents they had as they went on to capture standings in Northern California.

"B" Team: (l. to r.) *BOTTOM*: Parlett, Anthony, Richards, Gruver, Gould, Cannon, Kennedy, Ho, Correia, Ceglia. *2ND*: Mc Clure, Beard, Lozano, Chan, Hill, Kay, Finegold, Marshall, Wilson, Rivas, DeHart, Hercs. *3RD*: Boyle, Shissler, Vann, Ware, Sanford, Remak, Clausen,

Garcia, Brolan, Pitney, Bour, Dunn, Gleed, Hanes. *4TH*: Piccehitti, Olsen, Maykel, Stahl, Jordan, Casey, Barnes, Flynn, Stanger, Elias, Lockyer, Jenkins, Cabral, Supan, Harper, Henderson, Thompson.

A collage of black and white photographs of students in various school settings, overlaid with the text "SOPHOMORES CLASS OF '70" in a large, stylized font. The text is arranged diagonally across the page, with "SOPHOMORES" on the left and "CLASS OF '70" on the right. The photographs show students in classrooms, hallways, and outdoors, engaged in various activities like studying, socializing, and working on projects. The overall tone is nostalgic and celebratory.

Mr. Warren F. Bryld
Principal

PRINCIPAL'S MESSAGE

This yearbook represents the many accomplishments and noteworthy successes of you students during the 1967-68 academic year. It takes the special talents of the gifted artist to capture the school spirit and pride displayed in all our activities, to portray the interaction of students and faculty in the joint pursuit of excellence in our curricular and co-curricular program, and to describe your involvement in our community.

The memories stored in this book are yours to cherish in the future. These memories will be, I am sure, of the happiest years of your lives.

Warren F. Bryld
Principal

Mr. Shunji Ito
Director of Student Activities

Mr. James F. Regan
Vice Principal

WORKING FOR US AND WITH US

Mrs. Durham
Counselor

Helping and encouraging students, eight counselors have guided the entire student body in planning for their futures. The counselors tried to direct students toward courses and activities of interest and value to them. One of the projects of the counseling department this year was to present information related to each individual class at a separate parent-faculty meeting. In this way, they were able to be much more specific in discussing each respective class. While the under-class counselors concerned themselves primarily with counseling students in choosing courses for college and subsequent jobs, the upper-class counselors began discussing college and job opportunities with the students.

Mr. Yamamoto
Special Education, Emerging Nations

The Special Education Class taught by Mr. Yamamoto allowed remedial students to progress at a less accelerated rate than in other track classes at Homestead. The students were encouraged to develop a role in the community and take responsibilities.

Mr. Rehor
Counselor

Miss Olsen
Counselor

The State requirements class is an extension of the previous six-week driver-training course. There are now units on narcotics, alcohol, first-aid and fire prevention.

Mr. Sartwell
State Requirements

Mr. Shugh
State Requirements

WE ARE GRATEFUL TO...

Mrs. Makowski
Counselor

Mrs. Capron
Librarian

Mr. Reilly
Counselor

Mr. Wilk
Counselor

Mrs. Hughes
Counselor

Mrs. Pulliam
Librarian

The Homestead library is equipped to aid students in their independent research projects. The extension of A-17 into a reference room for magazines has enabled more students to take advantage of the many periodical references. In November, independent student study units were installed, making record, tape, and film references available to students. Mrs. Pulliam, Mrs. Capron, and the library clerks deserve recognition for an efficient library system.

Mrs. Smith
Library Clerk

Mrs. Ness
Library Clerk

ENGLISH

Miss Harwood
English III

Mr. Westdal
English III

Miss VanEvery
English II

The English department reflected a closer student-teacher relationship this year than previously. The students were given more time in seminar groups to discuss the material with their teachers. Large groups facilitated lecture presentations where better visual aids could be used. Advanced-placement English was an addition to the English department this year. It is a senior course that allows students to receive up to full credit on Freshman college English. English "A" was also offered in the other grades.

Heading Speech and Debate, Miss Weber encouraged personality development as well as formalized speaking.

Mrs. Willey instructed students in after school reading courses for speed and comprehension.

Mr. Falconer
Science I

The aim of the science department was to develop inquiring minds and the desire for further knowledge.

Students had the benefit of some of the most up to date equipment in laboratories and lectures. In the labs, the students were taught how to experiment with information, interpret and solve numerous problems. Through the use of the television, movies, and other teaching aids, students were taught, through a closer relationship with their instructors.

Heading WWW Productions, Mr. Weiss, Mr. Warren and Mr. Wittke directed what is known to Homestead students as Channel 13 of the closed circuit television system. Mr. Weiss instructed students in a textbook course of television production that included among its projects practice in televising movies for use in other classes. A special course of video-journalism was directed by Mr. Warren of the drama department, as a separate class from the regular journalism course. Students in the program produced *Campus Reports*, a morning program of information on campus activities. Mr. Wittke, as technician, maintained the television system and aided students in their productions. Also an integral part of AV-TV, the audio-visual office was headed by Mrs. Buck. With student aid she co-ordinated materials and machinery vital to teacher's audio-visual instruction.

Mr. Carpenter
Algebra I, IA, Geometry

Research was an important part of this year's Math program for teachers and students. Teachers, involved in planning for a new curriculum next year, used their spare time to investigate new methods of teaching. Students were able to use an increased library and individual study aids for both inside and outside of the classroom. The new schedule of a six-period day provided students with a supplementary period to consult with their teachers.

Higher math courses were available along with an SMS program for accelerated students. Other courses provided a review of fundamental mathematics.

STUDIES

The Social Studies department used every available reference to create a meaningful study of history and political thought for Homestead students. Based on the success of last year's program, students were encouraged to look for reasons behind events. A variety of sources were the basis for a broader outlook on specific problems. The American Civilization class, in its second year, initiated a new approach to the study of economics.

More than half of the department spent considerable time developing a new Social Studies curriculum. What was done here may become a pattern for other schools in the district and the state.

FOREIGN LANGUAGE

Foreign language classes emphasizing culture as well as grammar and vocabulary directed students toward a more meaningful study of languages. Ancient and contemporary histories enlivened foreign languages and made them more relative to the student. Slides and movies were shown by teachers for a better understanding of the atmosphere of each particular country. Advanced language and humanities conducted a study of philosophies.

However, the foreign language courses focused mainly toward comprehension of and speaking ability in the languages. An audio-visual program was followed to improve upon the writing, speaking, reading, and listening of the students. It provided students with an opportunity to relate mechanics to speaking the language.

For further enrichment with others of similar interests, students were able to join any of the four foreign language clubs at Homestead.

HOMEMAKING

Homemaking laboratories allowed students to practice skills in sewing and cooking. There were classes in the beginning, intermediate, and advanced levels that included menu planning, wardrobe, budgeting, and child psychology. A special course was the senior homemaking class where students were taught domestic skills and activities. Relating practice and knowledge created experience for homemaking students.

Mrs. Golick
Homemaking Sr., I, III

Mrs. Moen, Chairman
Homemaking Sr., I, II

BUSINESS EDUCATION

Mrs. Blaski
Typing I; Shorthand I, II

Business courses stressed occupational skills and office practice courses varied from business economy to beginning typing. Some of the programs allowed for students to take jobs immediately after school or served as transitions into business school. But many students took typing and business economy for personal use outside of the business world. The business office also served as a center for printed materials used in other classes and for school announcements.

Mr. Waller
Business Machines, English,
Introduction; Bookkeeping; Typing I

Mr. Marlow
Business Law, Economy,
Math; Typing I

Mrs. Dennin, Chairman
Typing I, Shorthand I,
Introduction Business

Mr. Sullivan
Wood I, II, III

Industrial arts courses included electronics, drafting, metal shop, wood shop, and auto shop. Students could advance at different levels in these areas. In electronics, students were able to work with a variety of equipment as well as make their own devices. Drafting courses included architectural drafting, while wood and metal shops gave students experience in construction. Auto shop students practiced their skills on cars donated by themselves and teachers, as well as laboratory equipment.

...however you spell it, Harson,
To Acute girl who has a great
fortune in the movies (so does
Amie Fawcett.) have a great
Summer and remember I is company
is a result

Love ya.

Robert Alfred Dunn III

Leith,
I'm really glad
we got to know each
each other and be
such friends. I hope our
friendship continues to grow
and we discuss still our problems.
Next year I will know even
greater things (better be) luck and
anyway, I hope you together
forever always stay together
I've made a perfect pair by
you don't + your summer
someday have a great summer
Love ya,
Harson Wood

Leith
 Boy!!!!!!!
 I guess we'll
 never forget Washington
 D.C. with we! That
 was really a panic. This with
 I hope I see ya summer & have the Eggman
 Steve. I am

Love ya,
 Sharon
 Quen

Leith,
 you turned
 out a neat
 yearbook
 Love
 Lori

Leith,

It was nice
 knowing you this
 year I've had a
 good time a Homestead.
 Steve

Leith,
 I really enjoyed having
 you in my history class
 this year. Well may I get to hope
 soon. I'm happy you and I hope
 at how you and I hope
 of my class in some
 next year.
 Wynne
 Wren

Leith,
 It's really been fun knowing some respectful
 underclassman in yearbook. Have all the
 you can in your senior year and
 the next year's yearbook wild! It's
 ing to be a wild year. Lots of luck
 Love always,
 Florence
